

Florida Counties - Manufactured & Mobile Home Summary (27 counties)

As of August 11, 2026

Alachua County · 352-374-5243

- Manufactured home permits required; county publishes a dedicated MH requirements packet on its Growth Management site
- Installation must be by an installer licensed under FL Statute 320.8249 (DHSMV Bureau of Mobile Home and RV Construction)
- Recent purchases need a copy of the recorded deed; lot splits need a new tax parcel number from the Property Appraiser

Baker County · 904-259-2403

- County publishes a Mobile Home Installation Packet on its Community Development page
- Move-On Permits are issued to licensed installers; inspection line 904-259-4896
- Land Development Regulations are Chapter 24 of the county code on Municode

Bradford County · 904-966-6213

- Zoning regulations are in Appendix A (Land Development Regulations) of the county code on Municode
- Properties inside Starke city limits or on City of Starke utilities permit through the City of Starke Building & Zoning Dept, 209 N Thompson St, 904-964-5027

Citrus County · 352-527-5310

- Building Division issues manufactured/mobile home permits as a distinct permit type alongside building, electrical, gas, mechanical, and plumbing permits
- Office hours 8:00 am to 4:00 pm; residential permitting info page maintained separately on the Growth Management site

Clay County · 904-284-6307

- Mobile home move-on permits require septic tank approval or existing-tank letter from Environmental Health, 301 South West Street, Green Cove Springs, 904-529-2840
- Green Cove Springs, Orange Park, Keystone Heights, and Penney Farms run their own building programs; confirm the site is in unincorporated Clay County first
- County code Chapter 13 covers mobile homes/vehicles/trailers; Appendix C has zoning regulations

Columbia County · 386-758-1008

- Publishes a dedicated Mobile Home Application checklist for new or used homes; permit fees roughly SW \$325, DW \$375, TW \$425 plus review and special assessment fees
- Land Development Regulations include mobile-home zoning districts (e.g., RSF/MH mixed single-family/mobile home and RMH-P mobile home park)
- Hours Monday-Friday 8:00 am to 4:30 pm; email bldginfo@columbiacountyfla.com

Dixie County · 352-498-1236

- Land Development Regulations include an RSF/MH (mixed single-family/mobile home) zoning district; code also mirrored at dixiecounty.elaws.us
- Permit intake by email at permits@dixiecounty.us; residential and subcontractor application PDFs posted on the county site

Duval County · 904-255-8500

- Duval County is consolidated with the City of Jacksonville, so nearly all permitting runs through the city's Building Inspection Division rather than a separate county office
- Permits are searched and submitted online through the JaxEPICS permit portal
- Beach communities (Jacksonville Beach, Atlantic Beach, Neptune Beach) and Baldwin permit separately

Flagler County · 386-313-4003

- First question is jurisdiction: Palm Coast, Flagler Beach, Bunnell, Beverly Beach, and Marineland all permit separately from the county
- County permits go through Central Permitting at the Bunnell government complex (Building 2, Suite 103) or the online permitting page
- Chapter 8 of the county code covers building codes

Gilchrist County · 352-463-3173

- Mobile home set-ups are permitted separately from standard building permits with their own application packet
- County has launched an online permitting portal; general permit checklist available on the county site
- Hours Mon-Thu 8-5, Fri 8-4

Hamilton County · 386-792-1060

- Mobile Home Permit Application is a dedicated form available from the department
- Land Use department administers the comprehensive plan and land development regulations that govern where mobile homes may be placed

Jefferson County · 850-342-0223

- Department issues mobile home installation permits as a distinct permit type
- Paper-only process: forms picked up at the office, incomplete applications rejected, no electronic submissions accepted, and no inspections scheduled on Fridays
- Chapter 50 of the county code is the Land Development Code governing siting

Lafayette County · (386) 294-3611

- Building Official also serves as Zoning Administrator (Garret Land), so zoning and building review run through one office.
- Department publishes dedicated mobile home forms and guidelines; permits enforce the Florida Building Code and FEMA floodplain rules.
- Permit applications can be submitted and paid online through the county site.

Lake County · (352) 343-9653

- Mobile home permit package requires impact fee receipt or deferral letter, a driveway permit if on a county-maintained road, and septic permit/health department approval where applicable.
- Placement in a rental park requires written park permission before the permit is released.
- Owner must provide legal sewage, water, and electric service and meet the county's mobile home construction and placement standards.

Leon County · (850) 606-1300

- All residential permit applications, fees, and inspections are administered at the 435 N. Macomb Street office.
- Leon County and the City of Tallahassee share a joint online permitting hub (tlcpermits.org) for applications and inspection scheduling.

Levy County · (352) 486-5198

- Department issues manufactured home permits for mobile home installation.
- Building permit applications are reviewed twice per day, at 9:00 a.m. and 3:30 p.m.
- Parcels inside the Town of Bronson need the town's Zoning Compliance Verification before applying for the county building permit.

Madison County · (850) 973-6785

- Office reviews applications for mobile home permits along with building and driveway permits.
- Permit applications can be submitted online through the county's Cloudpermit portal.

Marion County · (352) 438-2400

- Mobile home set-ups are permitted separately from standard residential permits; applications go through the county's Civic Access online portal.
- Division covers unincorporated Marion County only; property inside Ocala city limits uses the City of Ocala building department.
- Zoning/placement rules are in the separate Marion County Land Development Code on Municode.

Nassau County · 904-530-6250

- Department issues permits and performs plan review/inspections for unincorporated Nassau County only; permit questions line is 1-800-262-5131 ext. 3301.
- County construction forms include dedicated manufactured/mobile home permit applications (e.g., separate electrical permit form for manufactured homes).
- Code of Ordinances Chapter 7 (Buildings and Building Regulations) contains the county building code provisions.

Putnam County · 386-329-0307

- Development Services handles building permits, inspections, and code compliance countywide (unincorporated areas).
- Chapter 8 (Buildings and Building Regulations) and Chapter 45 (Land Development Code, including permitted uses by zoning district) of the county code govern mobile home placement.

St. Johns County · 904-827-6800

- Permits are required before most work begins; the county runs online permit application and search through its WATS web portal.
- Mobile/manufactured home zoning and placement in the unincorporated county are governed by the St. Johns County Land Development Code (posted at sjcfl.us/land-development-code/).

Sumter County · 352-689-4460

- Mobile homes must be model year 1981 or later (pre-1981 allowed only if already titled/assessed as real property in Sumter County), and homes older than 15 years at permitting require a pre-permit inspection.
- A permanent perimeter underfloor enclosure (masonry, wood, vinyl, or similar, at least 50% opacity) is required per the Florida Building Code.
- Since April 1, 2025 the county is also the building permit/inspection point of contact inside the City of Bushnell; online permitting runs through Citizenserve.

Suwannee County · 386-364-3407

- The Building Department issues manufactured/mobile home permits, including set-up and tie-down permits, and has moved permitting online via CloudPermit.
- County Code Chapter 50 (Manufactured Homes and Trailers) contains the county-specific mobile home regulations; Chapter 18 covers buildings and building regulations.

Taylor County · 850-838-3500

- The Building Inspections Division enforces the Florida Building Code, conducts construction inspections, and issues both zoning and building permits.
- County Code Chapter 18 covers buildings and contractor compliance; Chapter 42 is the county Land Development Code.

Union County · (386) 496-2676

- Building Inspector is Wilson Whidden; permits issued in about 2 business days if no plan review is needed, 7-10 business days when the Building Official must review plans
- County is not on Municode; land use rules are in the Union County Land Development Regulations posted on the county site (City of Lake Butler has its own separate code on Municode)

Volusia County · (386) 736-5929

- County maintains a dedicated mobile home permits page; applications are submitted online through the Volusia County Connect Live permitting portal
- All mobile home setups must be performed by an installer licensed per Rule 15C-2.0073(1), Florida Administrative Code
- Permit Center email PermitCtr@volusia.gov; main Growth and Resource Management line (386) 736-2700; county permits cover unincorporated areas only (cities have their own building departments)

Wakulla County · (850) 926-0919

- County Land Development Code Ch. 8 contains a Mobile Home Code (secs. 8-110 to 8-114) requiring inspection by the building official and setting permitting procedures for both new AND used units, plus electrical connection rules
- Permits are processed through the county's Citizenserve online portal

Prepared by Select Home Center · 912-208-6065. Summary of county-specific manufactured/mobile home notes; see each county's full sheet for office addresses and links. Verify with the county before permitting.
