Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system
- Existing system evaluations available

MANUFACTURED HOME NOTES

- Permit applications run through an iWorQ online portal; typical review 10-15 business days
- Properties inside Cochran city limits use the city's separate permitting process

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.
