MANUFACTURED HOME NOTES

- Code enforcement focuses on county ordinances (solid waste, litter, animal control); building permit questions can also go through the commissioners' office at 3 Freeman Street, 912-739-1141
- County ordinances are posted on the county website rather than Municode; call to confirm current mobile home permit rules

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.
