Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system

MANUFACTURED HOME NOTES

- County Code Chapter 42 is specifically titled Mobile Homes and Manufactured Homes.
- Planning and Zoning administers the county zoning ordinance and reviews applications/site plans for ordinance compliance; inside Reidsville, the city handles its own building permits and inspections (912-557-4786).

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.
