Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system
- Existing system evaluations available

MANUFACTURED HOME NOTES

- No dedicated county building/permitting department or online code library was found; permitting questions go through the Board of Commissioners office, and zoning inside a city goes through that city.
- Mobile home location permits and annual decals are handled by the Telfair County Tax Commissioner, 91 Telfair Avenue, McRae-Helena (229-868-6545).

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.
