Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system
- Existing system evaluations available

MANUFACTURED HOME NOTES

- No dedicated building/permitting department was found; ordinances page on the county site is listed as 'coming soon' and the county is not on Municode
- Statewide GA rules apply: installers must buy a \$60 installation permit from the GA Insurance & Safety Fire Commissioner for each new or pre-owned manufactured home, and owners must get an annual mobile home location permit/decal from the county tax commissioner

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.
