Phone: (386) 496-2676

Permits website: <https://unioncounty-fl.gov/building-department/>

Code of ordinances: https://unioncounty-fl.gov/wp-content/uploads/LDR_Union_20_Canary.pdf

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Florida Department of Health in Union County

Address: 495 E Main Street, Lake Butler, FL 32054

Phone: 386-496-3211

Website: <https://union.floridahealth.gov>

Manufactured home requirements:

- Florida septic permits are now a state DEP program, but this county's health department Environmental Health office still takes the applications and issues the permits locally

MANUFACTURED HOME NOTES

- Building Inspector is Wilson Whidden; permits issued in about 2 business days if no plan review is needed, 7-10 business days when the Building Official must review plans
- County is not on Municode; land use rules are in the Union County Land Development Regulations posted on the county site (City of Lake Butler has its own separate code on Municode)

Florida: installations follow FS 320 and Rule 15C-1/15C-2 (DHSMV) with licensed installers and installation decals; county building permits, tie-down and wind-zone compliance apply. Coastal counties may require Wind Zone II/III homes.
