

BUILDING & PERMITTING OFFICE

Department: Columbia County Building Department (Building & Zoning)

Address: 135 NE Hernando Ave., Lake City, FL 32055

Phone: 386-758-1008

Permits website: <https://www.columbiacountyfla.com/BuildingandZoning.asp>

Code of ordinances: https://library.municode.com/fl/columbia_county

MANUFACTURED HOME NOTES

- Publishes a dedicated Mobile Home Application checklist for new or used homes; permit fees roughly SW \$325, DW \$375, TW \$425 plus review and special assessment fees
- Land Development Regulations include mobile-home zoning districts (e.g., RSF/MH mixed single-family/mobile home and RMH-P mobile home park)
- Hours Monday-Friday 8:00 am to 4:30 pm; email bldginfo@columbiacountyfla.com

Florida: installations follow FS 320 and Rule 15C-1/15C-2 (DHSMV) with licensed installers and installation decals; county building permits, tie-down and wind-zone compliance apply. Coastal counties may require Wind Zone II/III homes.

Mobile Home Application Checklist

Review Process for Mobile Home Applications: All of the information in this packet must be completely filled out. The packet is then submitted to the Building Department for review. When the review process is complete, the applicant will be contacted for permit issuance.

Mobile Homes can only be set up by a Licensed Installer and the permits must be pulled by an authorized person.

Used Mobile Homes-

Out of County: Must have a completed 'Out of County' Mobile home inspection report by the installer and submitted with application. Once reviewed, applicant will be contacted to move into the county, and our inspectors will complete a pre-inspection.

In County: Our inspectors must complete a pre-inspection of the home before it is set up.

Site Plan: FOLLOW THE SITE PLAN CHECKLIST, included in this packet.

Fort White City Approval: If the project is located within the city limits of Fort White prior approval is required. The town of Fort White compliance letter is required to be submitted to this office when applying for a Building Permit.

Ownership of Property: This can be by way of Recorded Deed or Property Appraiser's parcel details printout-- visit <https://search.ccpafl.com/>

Parcel Number: The parcel number (Tax ID number) from the Property Appraiser (386.758.1083) is required. This may also be obtained online at <http://www.columbia.floridapa.com/gis>.

Right-of-Way Connection: If no record of a driveway exists, a right-of-way application will be needed. If an existing drive exists, make the 'verify existing drive' selection. If drive is verified as existing, no fee assessed. If there is no existing drive, Public Works will determine what is needed and a fee of \$150 will be assessed. If the property is accessed from a state maintained road, then an approval for FDOT must be received before a permit will be issued.

NO RELEASE OF FINAL POWER will be given until driveway access is complete and given final approval.

911 Address: Apply online at www.columbiacountyfla.com/PermitSearch/AddressingApplication.aspx

Environmental Health: Approved and Signed Site Plan from Environmental Health for septic; contact 386.758.1058

City Water/Sewer or Ellisville Water System: If on City Water or Sewer, City Availability Letter required, contact 386.758.2031. If on the Ellisville Water System; contact 386.719.7565 for review

Flood Information: All projects within the Floodway of the Suwannee or Santa Fe Rivers shall require permitting through the Suwannee River Water Management District, before submitting to our office. Any project located within a flood zone where the base flood elevation (100-year flood) has been established shall meet the requirements of Section 8.8 of the Columbia County Land established shall meet the requirements of section 8.7 of the Columbia County Land Development Regulations. **Certified Finished Floor Elevations will be required on any project where the Base Flood Elevation (100-year flood) has been established.** A Development Permit will also be required (\$50.00) fee.

Cost of Mobile Home Permit: The fee associated with your size Mobile home: SW = \$325, DW = \$375, TW = \$425; + review fees and current Special Assessment fees (if owed). **Special Assessment Fees:** For Fire and Solid Waste, it is prorated monthly starting October 1st.

NOTICE TO APPLICANT/OWNER REGARDING FLOODING

Please read carefully before you begin your construction project!

WARNING: The degree of flood protection required by County's floodplain ordinance and the Florida Building Code are considered as minimum regulatory purposes only. The floodplain ordinance and Florida Building Code are based on scientific and engineering considerations, but do not include actual, observed events of flooding that may have occurred at your property. You should also keep in mind that larger floods have, can, and will occur from time to time. Flood heights may be increased by man-made or natural causes. Approval of your permit under the floodplain ordinance does not imply that the permitted structure will be free from flooding or flood damage. The Special Flood Hazard Areas and Base Flood elevations are contained in the Flood Insurance Study and shown on Flood Insurance Rate Maps. The County adopts these maps for purposes of compliance with the National Flood Insurance Program, but makes no representations or assurances of their accuracy or reliability. The County does not maintain, track, or provide flood history data for any particular parcel of land.

THERE IS NO GUARANTY OF VESTED USE, EXISTING USE, OR FUTURE USE CREATED BY YOUR COMPLIANCE WITH THE FLOODPLAIN ORDINANCE. YOU ARE RESPONSIBLE FOR ASSESSING YOUR OWN PARTICULAR FLOOD RISK AND YOU ARE ENCOURAGED TO SPEAK WITH NEIGHBORING OWNERS AND THE PREVIOUS OWNERS OF YOUR LAND TO OBTAIN FIRST-HAND KNOWLEDGE OF YOUR PROPERTY'S SPECIFIC FLOOD HISTORY.

DISCLAIMER OF LIABILITY. The County floodplain ordinance does not create liability on the part of Board of County Commissioners of Columbia County or any officer or employee thereof for any flood damage that results from reliance on the ordinance, or any administrative decision lawfully made thereunder. Again, it is your responsibility to assess your property's flood risk and build accordingly.

For more information, see the Columbia County Code of Ordinances, Land Development Regulations, Article 8, at: https://library.municode.com/fl/columbia_county. Additional information can also be found on the County Building Department's web page: <https://www.columbiacountyfla.com/BuildingandZoning.asp>.

ACKNOWLEDGEMENT

I have read and understand the foregoing **NOTICE TO APPLICANT/OWNER REGARDING FLOOD ZONES**. I understand it is my responsibility to determine my property's flood risk, and that the County has made me no assurances that my property can not or will not flood.

Mobile Home Subcontractor Verification Form

APPLICATION/PERMIT # _____ JOB NAME _____

THIS FORM MUST BE SUBMITTED BEFORE A PERMIT WILL BE ISSUED

In Columbia County, one permit will cover all trades doing work at the permitted site. It is REQUIRED that we have records of the subcontractors who actually did the trade specific work under the permit. Per Florida Statute 440 and Ordinance 89-6, a contractor shall require all subcontractors to provide evidence of workers' compensation or exemption, general liability insurance and a valid State License to Columbia County Building Department prior to permit issuance.

Any changes, the permitted contractor is responsible for the corrected form being submitted to this office prior to the start of that subcontractor beginning any work. Violations will result in stop work orders and/or fines.

POCKET PENETROMETER TEST

The pocket penetrometer tests are rounded down to _____ psf or check here to declare 1000 lb. soil _____ without testing.

X _____ X _____ X _____

POCKET PENETROMETER TESTING METHOD

1. Test the perimeter of the home at 6 locations.
2. Take the reading at the depth of the footer.
3. Using 500 lb. increments, take the lowest reading and round down to that increment.

X _____ X _____ X _____

TORQUE PROBE TEST

The results of the torque probe test is _____ inch pounds or check here if you are declaring 5' anchors without testing _____. A test showing 275 inch pounds or less will require 5' anchors.

Note: A state approved lateral arm system is being used and 4 ft. anchors are allowed at the sidewall locations. I understand 5' anchors are required at all centerline tie points where the torque test reading is 275 or less and where the mobile home manufacturer may require anchors with 4000 lb. holding capacity.

OUT-OF-COUNTY Mobile Home Inspection Report

Notice of Mobile Home Permit Process

Please be advised that the out-of-county mobile home inspection report must be completed by the licensed mobile home installer while the home is still outside of the county. Once the report is approved, the applicant will be notified via email and will be cleared to move the home into the county.

Upon arrival in the county, a pre-inspection must be scheduled with our building inspectors to ensure the home is in decent condition. Any necessary repairs or issues identified by the inspector will be noted during the in-county inspection and must be completed before scheduling the final inspection.

WIND ZONE I mobile homes will NOT be permitted. Mobile homes prior to 1977 are pre-hud and the WIND ZONE must be proven to be permitted.

Minimum Standards for Mobile Home Occupancy **in Columbia County, Florida**

1. Occupancy Permit Requirements

- No manufactured home shall be granted a permit for occupancy as a permanent residence unless it has a minimum of 450 square feet of net living space (excluding garages, carports, porches, balconies, storage areas, or cabanas). Additionally, it is unlawful to combine two or more such homes for residential purposes unless specifically intended by the manufacturer.

2. Width Requirements

- No manufactured home shall be permitted for occupancy as a permanent residence in Columbia County unless it measures at least 10 feet in width, including any attached additions.

3. Code Compliance and Condition

- No new or used manufacturer home shall be permitted for occupancy as a permanent residence unless it complies with at least one of the following standards:
 - The Federal Mobile Home Construction and Safety Standards for single-family homes, as promulgated by the Department of Housing and Urban Development;
 - The Uniform Standards Code approved by the American National Standards Institute (ANSI Code) for duplex mobile homes;
 - The Uniform Standards Code approved by ANSI for other mobile homes;
 - The minimum housing code of Columbia County, if applicable.

In addition, the unit must meet the following conditions:

1. The unit is clean and in sound condition;
2. All windows are intact with no broken panes;
3. The unit operated from a dedicated electric meter, separate from any other unit;
4. The outdoor electrical panel box is in proper working order, with service entrance conductors no less than #8-gauge aluminum or equivalent copper wire;
5. All heating equipment, where applicable is functional;
6. At least one set of steps providing access to the unit is installed;
7. All exterior doors and hardware are intact and functional;
8. Properly functioning washing machine connections are in place, if applicable;
9. A working smoke alarm system is present and functional.

Permit Display Requirement

Any permit issued under this Ordinance, or a copy thereof, must be displayed in a window next to the front door of the manufactured mobile home.

Pre-Inspection Requirement for Relocated Homes

All used mobile homes located out-of-county must undergo a pre-inspection (TO BE COMPLETED BY MH INSTALLER) before being moved in to the County. Once home has been placed in the County, a Building Inspector from the Building & Zoning Department must complete a pre-inspection.

Homes that do not meet Wind Zone II or higher requirements cannot be relocated in Columbia County. Most homes built before 1976 do not meet Wind Zone II requirements and therefore cannot be set up or placed in Columbia County.

AFTER THE PERMIT HAS BEEN ISSUED

FINAL POWER RELEASE FOR MOBILE HOMES

- **Final Inspection**

- The final inspection for blocking, tie-downs, electrical systems, plumbing, and right-of-way connections must be requested and passed. These are all completed in one inspection: 'MH Setup Final'. The final inspection consists of having the home tied-down & set up, plumbing and electrical connections completed, any repairs inspector notated during pre-inspection (used homes only), address posted, and at least one set of steps in place.
- To schedule an inspection, please call the Columbia County Building Department at 386.719.2023 or visit www.columbiacountyfla.com/PermitSearch/InspectionRequest.aspx. Be sure to have your permit number ready when you call, and provide at least 24 hours' notice. All inspections, including the Certificate of Occupancy, must be scheduled and completed at the same time.

- **Septic Tank Approval**

- Final approval for the septic tank must be submitted to the Columbia County Building Department. To request the final inspection and release, please contact the Columbia County Environmental Health Department at 386.758.1058.

- **Development Permit Requirement**

- If your permit required a Development Permit, a certified finished floor elevation must be provided by a surveyor before the power can be released.
