BUILDING & PERMITTING OFFICE

Department: Alachua County Growth Management Department - Building Division

Address: County Annex Building, 1st Floor, 10 SW 2nd Avenue, Gainesville, FL 32601

Phone: 352-374-5243

Permits website: <https://growth-management.alachuacounty.us/Building/Permits>

Code of ordinances: https://library.municode.com/fl/alachua_county/codes/code_of_ordinances

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Florida Department of Health in Alachua County

Address: 224 SE 24th St., Gainesville, FL 32641

Phone: 352-334-7900

Environmental Health (septic/well): 352-334-7930

Website: <https://alachua.floridahealth.gov>

Manufactured home requirements:

- Florida septic permits are now a state DEP program, but this county's health department Environmental Health office still takes the applications and issues the permits locally

MANUFACTURED HOME NOTES

- Manufactured home permits required; county publishes a dedicated MH requirements packet on its Growth Management site
- Installation must be by an installer licensed under FL Statute 320.8249 (DHSMV Bureau of Mobile Home and RV Construction)
- Recent purchases need a copy of the recorded deed; lot splits need a new tax parcel number from the Property Appraiser

Florida: installations follow FS 320 and Rule 15C-1/15C-2 (DHSMV) with licensed installers and installation decals; county building permits, tie-down and wind-zone compliance apply. Coastal counties may require Wind Zone II/III homes.

BUILDING & PERMITTING OFFICE

Department: Appling County Board of Commissioners - Planning & Zoning

Address: 69 Tippins Street, Suite 201, Baxley, GA 31513

Phone: 912-367-8100

Permits website: <https://applingcountyga.org>

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Appling County Health Department (Southeast Health District)

Address: 283 Walnut Street, Baxley, GA 31515

Phone: 855-473-4374

Environmental Health (septic/well): 912-764-0727 (district EH)

Website: <https://sehdph.org/our-counties/>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system

MANUFACTURED HOME NOTES

- County code of ordinances not found on Municode or other online codifiers; contact the commissioners' office for ordinance copies
- Inside Baxley city limits, permits and code enforcement run through Baxley City Hall, 282 East Parker Street, 912-367-8300

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Atkinson County Board of Commissioners (Permits Office)

Address: 86 South Main Street, Pearson, GA 31642

Phone: 912-422-3391

Permits website: <https://atkinsoncounty.org/forms-and-applications/>

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Atkinson County Health Department (Southeast Health District)

Address: 461 Albany Avenue East, Pearson, GA 31642

Phone: 855-473-4374

Environmental Health (septic/well): 912-764-0727 (district EH)

Website: <https://sehdph.org/our-counties/>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system

MANUFACTURED HOME NOTES

- County uses a Mobile Home Moving/Set-up Permit Application plus a Mobile Home Pre-Inspection Application (posted on the county forms page)
- No online code of ordinances found for the county; City of Pearson's code is on Municode separately

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Bacon County Board of Commissioners - Administration

Address: P.O. Box 356, Alma, GA 31510

Phone: 912-632-5214

Permits website: <https://baconcounty.org/administration.php>

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Bacon County Health Department (Southeast Health District)

Address: 101 North Wayne Street, Alma, GA 31510

Phone: 855-473-4374

Environmental Health (septic/well): 912-764-0727 (district EH)

Website: <https://sehdph.org/our-counties/>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system

MANUFACTURED HOME NOTES

- Sources indicate no building permits are required in unincorporated Bacon County outside Alma city limits; verify by phone before delivery
- Inside Alma city limits, permits go through the City of Alma; Alma's code of ordinances is at library.municode.com/ga/alma

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Baker County Community Development Department

Address: 360 E Shuey Ave, Macclenny, FL 32063

Phone: 904-259-2403

Permits website: <https://www.bakercountyfl.org/communitydevelopment.php>

Code of ordinances: https://library.municode.com/fl/baker_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Florida Department of Health in Baker County

Address: 480 West Lowder St., Macclenny, FL 32063

Phone: 904-259-6291

Website: <https://baker.floridahealth.gov>

Manufactured home requirements:

- Florida septic permits are now a state DEP program, but this county's health department Environmental Health office still takes the applications and issues the permits locally
- Also regulates mobile home and RV parks

MANUFACTURED HOME NOTES

- County publishes a Mobile Home Installation Packet on its Community Development page
- Move-On Permits are issued to licensed installers; inspection line 904-259-4896
- Land Development Regulations are Chapter 24 of the county code on Municode

Florida: installations follow FS 320 and Rule 15C-1/15C-2 (DHSMV) with licensed installers and installation decals; county building permits, tie-down and wind-zone compliance apply. Coastal counties may require Wind Zone II/III homes.

BUILDING & PERMITTING OFFICE

Department: Baker County Courthouse - County Clerk's Office (permits handled here)

Address: 167 Baker Place, Newton, GA 39870

Phone: 229-734-3004

Permits website: <https://www.bakercountyga.com/>

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Baker County Health Department (Southwest GA Public Health District)

Address: PO Box 365, Newton, GA 39870

Phone: 229-734-5226

Environmental Health (septic/well): 229-759-3016

Website: <https://swhealthdistrict.org/baker-county/>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system

MANUFACTURED HOME NOTES

- No dedicated building/permitting department found online; call the county clerk to confirm current permitting practice
- Mobile home owners must get a location permit from the Tax Commissioner (229-734-3010) within 30 days of placement, then annually Jan 1 to Apr 1 for the decal

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Ben Hill County Building/Licenses/Zoning

Address: 402-A East Pine Street, Fitzgerald, GA 31750

Phone: 229-426-5100

Permits website: <https://www.benhillcounty-ga.gov/business-directory/building-licenses-zoning/>

Code of ordinances: https://library.municode.com/ga/ben_hill_county/codes/code_of_ordinances

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Ben Hill County Health Department (South Health District)

Address: 251 Appomattox Road, Fitzgerald, GA 31750

Phone: 229-426-5288

Website: <https://southhealthdistrict.com/county-health-departments/ben-hill-county/>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system
- Existing septic system evaluation required before relocating a mobile home onto a lot with an existing system (district form)

MANUFACTURED HOME NOTES

- Inspection requests: 229-457-3618; county posts building permit requirements doc on its site
- Mobile homes are checked for current decals; location permit due with ad valorem taxes by April 1 each year
- City of Fitzgerald has its own building office for in-city properties (fitzgeraldga.org/building.html)

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Berrien County Code Enforcement Office (Planning and Zoning)

Address: 201 N. Davis Street, Nashville, GA 31639

Phone: 229-686-2149

Permits website: <https://berriencountygeorgia.com/planning-and-zoning/>

Code of ordinances: https://library.municode.com/ga/berrien_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Berrien County Health Department (South Health District)

Address: 600A S. Jefferson Street, Nashville, GA 31639

Phone: 229-686-5411

Website: <https://southhealthdistrict.com>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system
- Existing septic system evaluation required before relocating a mobile home onto a lot with an existing system (district form)

MANUFACTURED HOME NOTES

- Office issues building and Mobile Home Installation Inspection permits; MH installation inspection fee listed at \$198
- Serves unincorporated Berrien County plus Alapaha and Ray City; enforces the Land Development Ordinance and building codes

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Bleckley County Building Department

Address: 112 N 2nd Street, Cochran, GA 31014

Phone: 478-934-3200

Permits website: <https://bleckley.org/building-department/>

Code of ordinances: <https://bleckley.org/county-ordinances/>

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Bleckley County Health Department (South Central Health District)

Address: 152 North Eighth Street, Cochran, GA 31014

Phone: 478-934-6590

Environmental Health (septic/well): 478-275-6779 (district EH, Dublin)

Website: <https://southcentralhealth.info/health-departments>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system
- Existing system evaluations available

MANUFACTURED HOME NOTES

- Permit applications run through an iWorQ online portal; typical review 10-15 business days
- Properties inside Cochran city limits use the city's separate permitting process

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Bradford County Building, Zoning & Fire Prevention

Address: 945 N. Temple Ave (Courthouse, North Wing), Starke, FL 32091

Phone: 904-966-6213

Permits website: <https://bradfordcountyfl.gov/building-zoning/>

Code of ordinances: https://library.municode.com/fl/bradford_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Florida Department of Health in Bradford County

Address: 1801 N. Temple Avenue, Starke, FL 32091

Phone: 904-964-7732

Website: <https://bradford.floridahealth.gov>

Manufactured home requirements:

- Florida septic permits are now a state DEP program, but this county's health department Environmental Health office still takes the applications and issues the permits locally

MANUFACTURED HOME NOTES

- Zoning regulations are in Appendix A (Land Development Regulations) of the county code on Municode
- Properties inside Starke city limits or on City of Starke utilities permit through the City of Starke Building & Zoning Dept, 209 N Thompson St, 904-964-5027

Florida: installations follow FS 320 and Rule 15C-1/15C-2 (DHSMV) with licensed installers and installation decals; county building permits, tie-down and wind-zone compliance apply. Coastal counties may require Wind Zone II/III homes.

BUILDING & PERMITTING OFFICE

Department: Brantley County Planning and Building Department

Address: 33 Allen Road, Nahunta, GA 31553

Phone: 912-462-5256

Permits website: <https://brantleycounty-ga.gov/planning--building>

Code of ordinances: https://library.municode.com/ga/brantley_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Brantley County Health Department (Southeast Health District)

Address: 173 Florida Avenue, Nahunta, GA 31553

Phone: 855-473-4374

Environmental Health (septic/well): 912-764-0727 (district EH)

Website: <https://sehdph.org/our-counties/>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system

MANUFACTURED HOME NOTES

- County code Chapter 50 specifically covers Manufactured Homes and Mobile Homes
- County posts separate permit checklists for NEW vs USED mobile homes on its website
- Nahunta and Hoboken city mobile home permits carry a \$50 fee; county fees differ inside vs outside city limits

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Brooks County Development Services

Address: 610 S Highland Rd, Quitman, GA 31643

Phone: 229-263-5561

Permits website: <https://brookscountyga.gov/development-services>

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Brooks County Health Department (South Health District)

Address: 500 East Courtland, Quitman, GA 31643

Phone: 229-263-7585

Website: <https://southhealthdistrict.com>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system
- Existing septic system evaluation required before relocating a mobile home onto a lot with an existing system (district form)

MANUFACTURED HOME NOTES

- Office issues building permits plus mobile home placement or movement permits, electrical and plumbing permits
- Chief Building Official/Zoning Administrator Jarod Lanier 229-305-4459; Building Inspector/Code Enforcement Terrance Vinson 229-563-8233
- County code not found on Municode; ordinances maintained by Development Services

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Bryan County Community Development - Building and Codes Division

Address: 51 N. Courthouse Street, Pembroke, GA 31321 (also 66 Captain Matthew Freeman Drive, Suite 111, Richmond Hill, GA 31324)

Phone: 912-653-3898 (Pembroke) / 912-756-3177 (Richmond Hill)

Permits website: <https://www.bryancountyga.gov/government/departments-a-g/building-and-codes>

Code of ordinances: https://library.municode.com/ga/bryan_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Bryan County Health Department (Coastal Health District)

Address: 430 Ledford Street, Pembroke, GA 31321

Phone: 912-653-4331

Environmental Health (septic/well): 912-653-4333 (Pembroke EH); Richmond Hill EH 912-756-2636

Website: https://coastalhealthdistrict.org/counties/bryan_county/

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system
- Existing septic system inspection typically required for mobile home relocation; Level 3 soil report (GA Certified Soil Classifier) required for all septic permits

MANUFACTURED HOME NOTES

- County code Chapter 107 is dedicated to Manufactured Homes
- County offers digital permitting/plan submission through its Community Development portal

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Bulloch County Planning and Development (Planning & Zoning)

Address: 37 North Walnut Street, Statesboro, GA 30458

Phone: 912-489-1356

Permits website: <https://bullochcounty.net/planning-and-zoning/>

Code of ordinances: https://library.municode.com/ga/bulloch_county/codes/code_of_ordinances

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Bulloch County Health Department (Southeast Health District)

Address: 1 West Altman Street, Statesboro, GA 30458

Phone: 912-764-5969

Environmental Health (septic/well): 912-764-0727 (district EH)

Website: <https://sehdph.org/our-counties/>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system

MANUFACTURED HOME NOTES

- County code Chapter 9 is Manufactured Homes; issues manufactured home permits alongside building/electrical/plumbing
- In R80, R40, R25, R15, R2 and R3 districts a manufactured home needs at least 975 sq ft heated floor space and must be compatible with conventional construction in the area
- Five or more manufactured homes on a parcel under single ownership is treated as a manufactured home park requiring MH park zoning

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Camden County Planning & Development

Address: 135 Gross Road, Kingsland, GA 31548

Phone: 912-729-5603

Permits website: <https://www.co.camden.ga.us/74/Planning-Development>

Code of ordinances: <https://www.camdencountyga.gov/760/Unified-Development-Code>

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Camden County Health Department (Coastal Health District)

Address: 101 Winding Road, Kingsland, GA 31548

Phone: 912-882-8515

Environmental Health (septic/well): 912-729-6012

Website: https://coastalhealthdistrict.org/counties/camden_county_health_department/

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system
- Existing septic system inspection typically required for mobile home relocation; Level 3 soil report required for all septic permits

MANUFACTURED HOME NOTES

- Manufactured Home permits are applied for online via the SmartGov portal
- County issues permits for unincorporated areas only; Woodbine, Kingsland and St. Marys each permit separately
- Manufactured/mobile home standards live in the county's Unified Development Code

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Candler County Board of Commissioners (Zoning & Permitting)

Address: 1075 E. Hiawatha Street, Metter, GA 30439

Phone: 912-685-2835

Permits website: <https://candlerco-ga.gov/1206/Zoning-Ordinances>

Code of ordinances: <https://candlerco-ga.gov/1206/Zoning-Ordinances>

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Candler County Health Department (Southeast Health District)

Address: 428 North Rountree Street, Metter, GA 30439

Phone: 855-473-4374

Environmental Health (septic/well): 912-764-0727 (district EH)

Website: <https://sehdph.org/our-counties/>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system

MANUFACTURED HOME NOTES

- County adopted a Manufactured Home Ordinance and a Manufactured Home & Tiny Home Park Ordinance (April 2024), plus a countywide Zoning Ordinance adopted Sept 23, 2024; ordinances are posted on the county site, not Municode
- Ordinance and permit questions go through the Board of Commissioners office at 912-685-2835
- Farm-worker seasonal manufactured homes limited to one per 3 acres with 200-ft separation between homes

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Charlton County Building Permits & Code Enforcement

Address: 68 Kingsland Drive, Suite C, Folkston, GA 31537

Phone: 912-496-3826

Permits website: <https://charltoncountyga.us/180/Permitting-Code-Enforcement>

Code of ordinances: https://library.municode.com/ga/charlton_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Charlton County Health Department (Southeast Health District)

Address: 2587 Third Street, Folkston, GA 31537

Phone: 855-473-4374

Environmental Health (septic/well): 912-764-0727 (district EH)

Website: <https://sehdph.org/our-counties/>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system

MANUFACTURED HOME NOTES

- Pre-owned mobile homes moved within or into the county must first be inspected and approved by a Charlton County building inspector
- Mobile homes may only be set up by an installer registered and licensed by the State of Georgia
- County code Chapter 150 covers manufactured homes and trailers, including standards for relocated/pre-owned units

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Chatham County Building Safety & Regulatory Services

Address: 1117 Eisenhower Drive, Suite D, Savannah, GA 31406

Phone: 912-201-4300

Permits website: <https://buildingsafety.chathamcountyga.gov/>

Code of ordinances: <https://www.chathamcountyga.gov/OurCounty/CodeBook>

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Chatham County Health Department (Coastal Health District)

Address: 1395 Eisenhower Dr., Savannah, GA 31406

Phone: 912-356-2441

Environmental Health (septic/well): 912-356-2160

Website: https://coastalhealthdistrict.org/counties/chatham_county_health_department/

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system
- Existing septic system inspection typically required for mobile home relocation; Level 3 soil report required for all septic permits

MANUFACTURED HOME NOTES

- Permit applications accepted Monday-Friday 8:00 am to 3:30 pm; mailing address P.O. Box 8161, Savannah, GA 31412
- Zoning for unincorporated Chatham County is administered by the Metropolitan Planning Commission (thempc.org); check zoning district before siting a manufactured home
- County code is published on the county's own Code Book page rather than Municode

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Citrus County Building Division (Growth Management Department)

Address: 3600 W. Sovereign Path, Suite 111, Lecanto, FL 34461

Phone: 352-527-5310

Permits website: https://www.citruscounty.gov/departments/growth_management/building/index.php

Code of ordinances: https://library.municode.com/fl/citrus_county/codes/code_of_ordinances

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Florida Department of Health in Citrus County

Address: 3700 West Sovereign Path, Lecanto, FL 34461

Phone: 352-527-0068

Environmental Health (septic/well): 352-513-6100 (Environmental Public Health)

Website: <https://citrus.floridahealth.gov>

Manufactured home requirements:

- Florida septic permits are now a state DEP program, but this county's health department Environmental Health office still takes the applications and issues the permits locally
- Springs Priority Focus Areas: septic applications on or after Dec 15, 2025 must use enhanced nitrogen-reducing systems for repairs/modifications - can raise costs on lots with older systems

MANUFACTURED HOME NOTES

- Building Division issues manufactured/mobile home permits as a distinct permit type alongside building, electrical, gas, mechanical, and plumbing permits
- Office hours 8:00 am to 4:00 pm; residential permitting info page maintained separately on the Growth Management site

Florida: installations follow FS 320 and Rule 15C-1/15C-2 (DHSMV) with licensed installers and installation decals; county building permits, tie-down and wind-zone compliance apply. Coastal counties may require Wind Zone II/III homes.

BUILDING & PERMITTING OFFICE

Department: Clay County Building Division (Development Services)

Address: 435 Walburg Street, Green Cove Springs, FL 32043

Phone: 904-284-6307

Permits website: <https://www.claycountygov.com/government/building>

Code of ordinances: https://library.municode.com/fl/clay_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Florida Department of Health in Clay County

Address: 1845 Town Center Blvd, Box 15, Fleming Island, FL 32003

Phone: 904-529-2800

Environmental Health (septic/well): 904-278-3784 (EH: 435 Walburg St, Green Cove Springs, FL 32043)

Website: <https://clay.floridahealth.gov>

Manufactured home requirements:

- Florida septic permits are now a state DEP program, but this county's health department Environmental Health office still takes the applications and issues the permits locally

MANUFACTURED HOME NOTES

- Mobile home move-on permits require septic tank approval or existing-tank letter from Environmental Health, 301 South West Street, Green Cove Springs, 904-529-2840
- Green Cove Springs, Orange Park, Keystone Heights, and Penney Farms run their own building programs; confirm the site is in unincorporated Clay County first
- County code Chapter 13 covers mobile homes/vehicles/trailers; Appendix C has zoning regulations

Florida: installations follow FS 320 and Rule 15C-1/15C-2 (DHSMV) with licensed installers and installation decals; county building permits, tie-down and wind-zone compliance apply. Coastal counties may require Wind Zone II/III homes.

BUILDING & PERMITTING OFFICE

Department: Clinch County Board of Tax Assessors (handles building permits and building inspector)

Address: 25 Court Square, Suite D, Homerville, GA 31634

Phone: 912-487-2561

Permits website: <https://clinchcountyga.gov/board-of-tax-assessors.html>

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Clinch County Health Department (Southeast Health District)

Address: 285 Sweat Street, Homerville, GA 31634

Phone: 855-473-4374

Environmental Health (septic/well): 912-764-0727 (district EH)

Website: <https://sehdph.org/our-counties/>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system

MANUFACTURED HOME NOTES

- Unusual setup: the Assessor's Office handles county building permits for new construction and new mobile home placement
- The office inspects mobile homes located in the county to ensure proper location-permit decals are attached (GA Code 48-5-492 decal requirement)
- County code is not published on Municode; contact the office directly for ordinance copies

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Coffee County Code Enforcement Department

Address: 101 S. Peterson Avenue, Douglas, GA 31533

Phone: 912-393-7170

Permits website: https://www.coffeecounty-ga.gov/departments/code_enforcement/index.php

Code of ordinances: https://library.municode.com/ga/coffee_county/codes/code_of_ordinances

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Coffee County Health Department (Southeast Health District)

Address: 1111 West Baker Highway, Douglas, GA 31533

Phone: 912-389-4456

Environmental Health (septic/well): 912-764-0727 (district EH)

Website: <https://sehdph.org/our-counties/>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system

MANUFACTURED HOME NOTES

- Code Enforcement calculates and writes mobile home relocation permits (director at 912-393-7170 or 912-393-7171)
- County Zoning Department is at the same Peterson Avenue complex, 912-393-7244
- Land Development Code is codified as Appendix D of the county Code of Ordinances on Municode

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Colquitt County Compliance Department (building inspections and permits)

Address: P.O. Box 517, Moultrie, GA 31776

Phone: 229-616-7417

Permits website: <https://www.colquittcountyga.gov/departments/compliance.php>

Code of ordinances: https://library.municode.com/ga/colquitt_county/codes/code_of_ordinances

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Colquitt County Health Department (Southwest GA Public Health District)

Address: 214 W Central Avenue, Moultrie, GA 31768

Phone: 229-589-8464

Website: <https://swhealthdistrict.org/colquitt-county/>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system

MANUFACTURED HOME NOTES

- County code Chapter 34 specifically covers Manufactured Homes and Trailers; Chapter 10 covers Buildings and Building Regulations
- Construction permit application is available as a PDF on the county site; City of Moultrie runs its own building/permitting office (229-985-1974) for city limits

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Columbia County Building Department (Building & Zoning)

Address: 135 NE Hernando Ave., Lake City, FL 32055

Phone: 386-758-1008

Permits website: <https://www.columbiacountyfla.com/BuildingandZoning.asp>

Code of ordinances: https://library.municode.com/fl/columbia_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Florida Department of Health in Columbia County

Address: 135 NE Hernando Ave., Lake City, FL 32055

Phone: 386-758-1068

Environmental Health (septic/well): 386-758-1058

Website: <https://columbia.floridahealth.gov>

Manufactured home requirements:

- Florida septic permits are now a state DEP program, but this county's health department Environmental Health office still takes the applications and issues the permits locally
- Separate mobile home parks program

MANUFACTURED HOME NOTES

- Publishes a dedicated Mobile Home Application checklist for new or used homes; permit fees roughly SW \$325, DW \$375, TW \$425 plus review and special assessment fees
- Land Development Regulations include mobile-home zoning districts (e.g., RSF/MH mixed single-family/mobile home and RMH-P mobile home park)
- Hours Monday-Friday 8:00 am to 4:30 pm; email bldginfo@columbiacountyfla.com

Florida: installations follow FS 320 and Rule 15C-1/15C-2 (DHSMV) with licensed installers and installation decals; county building permits, tie-down and wind-zone compliance apply. Coastal counties may require Wind Zone II/III homes.

BUILDING & PERMITTING OFFICE

Department: Cook County Building and Zoning

Address: 1200 S. Hutchinson Avenue, Adel, GA 31620

Phone: 229-896-2266

Permits website: <https://cookcountyga.us/departments-and-offices/building-and-zoning/>

Code of ordinances: https://library.municode.com/ga/cook_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Cook County Health Department (South Health District)

Address: 204 North Parrish Avenue, Adel, GA 31620

Phone: 229-896-3030

Website: <https://southhealthdistrict.com>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system
- Existing septic system evaluation required before relocating a mobile home onto a lot with an existing system (district form)

MANUFACTURED HOME NOTES

- Office issues building permits, administers the zoning ordinance (Appendix A of the county code on Municode), and processes zoning/re-zoning applications
- Online permit applications available through a Schneider Geospatial permitting portal
- Administrator: James T. 'Jess' Permenter

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Crisp County Planning, Zoning & Codes (Building & Zoning Department)

Address: Crisp County Government Center, 210 S. 7th Street, Suite 205, Cordele, GA 31015

Phone: 229-276-2640

Permits website: <https://crispcounty.com/planning-zoning-codes>

Code of ordinances: https://library.municode.com/ga/crisp_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Crisp County Health Department (West Central Health District)

Address: 111 East 24th Avenue, Cordele, GA 31015

Phone: 229-276-2681

Environmental Health (septic/well): 833-337-1749 (district EH; online: selfserve.westcentralhealthdistrict.com)

Website: <https://westcentralhealthdistrict.com/counties/crisp/>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system
- Environmental health applications go through the district's online self-service portal

MANUFACTURED HOME NOTES

- Residential building permit application posted on the county Planning/Zoning/Codes page; email plandept@crispcounty.com
- County's Land Development Code ordinance is published on Municode alongside the Code of Ordinances

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Dixie County Building & Zoning Department

Address: 387 SE 22nd Ave., Cross City, FL 32628

Phone: 352-498-1236

Permits website: <https://www.dixiecounty.us/building/>

Code of ordinances: https://library.municode.com/fl/dixie_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Florida Department of Health in Dixie County

Address: 149 NE 241st St., Cross City, FL 32628

Phone: 352-498-1360

Website: <https://dixie.floridahealth.gov>

Manufactured home requirements:

- Florida septic permits are now a state DEP program, but this county's health department Environmental Health office still takes the applications and issues the permits locally
- County-specific new/repair septic application forms

MANUFACTURED HOME NOTES

- Land Development Regulations include an RSF/MH (mixed single-family/mobile home) zoning district; code also mirrored at dixiecounty.elaws.us
- Permit intake by email at permits@dixiecounty.us; residential and subcontractor application PDFs posted on the county site

Florida: installations follow FS 320 and Rule 15C-1/15C-2 (DHSMV) with licensed installers and installation decals; county building permits, tie-down and wind-zone compliance apply. Coastal counties may require Wind Zone II/III homes.

BUILDING & PERMITTING OFFICE

Department: Dodge County Board of Commissioners / County Clerk's Office (issues building permits)

Address: 643 Pearl Bates Avenue, P.O. Box 818, Eastman, GA 31023

Phone: 478-374-4361

Permits website: <https://dodgecountyga.com/>

Code of ordinances: https://library.municode.com/ga/dodge_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Dodge County Health Department (South Central Health District)

Address: 1121 Plaza Avenue, Eastman, GA 31023

Phone: 478-374-5576

Environmental Health (septic/well): 478-275-6779 (district EH, Dublin)

Website: <https://southcentralhealth.info>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system
- Existing system evaluations available

MANUFACTURED HOME NOTES

- No standalone building department; the County Clerk's office under the Board of Commissioners files and issues county permits including building permits
- County code Chapter 8 (Buildings) on Municode covers building regulations; City of Eastman has its own separate code

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Dooly County Building and Zoning Office

Address: 113 N. Third Street, Vienna, GA 31092

Phone: 229-268-4228

Permits website: <https://doolycountyga.com/building-department/>

Code of ordinances: https://library.municode.com/ga/dooly_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Dooly County Health Department (West Central Health District)

Address: 204 West Union Street, Vienna, GA 31092

Phone: 229-268-4725

Environmental Health (septic/well): 833-337-1749 (district EH; online: selfserve.westcentralhealthdistrict.com)

Website: <https://westcentralhealthdistrict.com/counties/dooly/>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system
- Environmental health applications go through the district's online self-service portal

MANUFACTURED HOME NOTES

- Building permit and zoning questions go to Glenn Layson at 229-268-4228; a separate building permit office line is 229-268-6696; email zoning@doolycountyga.com
- Dooly County Zoning Ordinance is codified as Appendix B of the county code on Municode
- County also maintains a separate Zoning & Floodplain Department page for floodplain matters

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Dougherty County Planning and Development Services

Address: Government Center, 222 Pine Avenue, Room 100, Albany, GA 31701

Phone: 229-438-3901

Permits website: <https://www.dougherty.ga.us/Government/Dougherty-County-Departments/Planning-and-Development-Services>

Code of ordinances: https://library.municode.com/ga/dougherty_county/codes/code_of_ordinances

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Dougherty County Health Department (Southwest GA Public Health District)

Address: 1710 S. Slappey Blvd, Albany, GA 31701

Phone: 229-638-6424

Environmental Health (septic/well): 229-438-3943

Website: <https://swhealthdistrict.org/dougherty-county/>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system

MANUFACTURED HOME NOTES

- Department issues building permits and manufactured home location permits and enforces building codes and zoning for the county
- Dougherty County Code Enforcement is in the same building at 222 Pine Avenue, 229-438-3913
- Statewide note: installers must purchase a \$60 state installation permit from the GA Insurance and Safety Fire Commissioner for each new or pre-owned manufactured home installed

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: City of Jacksonville Building Inspection Division (consolidated city-county government)

Address: Ed Ball Building, 214 N. Hogan Street, 2nd Floor, Jacksonville, FL 32202

Phone: 904-255-8500

Permits website: <https://www.jacksonville.gov/departments/public-works/building-inspection-division>

Code of ordinances: https://library.municode.com/fl/jacksonville/codes/code_of_ordinances

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Florida Department of Health in Duval County

Address: 921 N. Davis St., Building B Suite 350, Jacksonville, FL 32209

Phone: 904-253-1000

Environmental Health (septic/well): 904-253-1280 (EH: 921 N. Davis St., Bldg B Suite 350, Jacksonville)

Website: <https://duval.floridahealth.gov>

Manufactured home requirements:

- Florida septic permits are now a state DEP program, but this county's health department Environmental Health office still takes the applications and issues the permits locally

MANUFACTURED HOME NOTES

- Duval County is consolidated with the City of Jacksonville, so nearly all permitting runs through the city's Building Inspection Division rather than a separate county office
- Permits are searched and submitted online through the JaxEPICS permit portal
- Beach communities (Jacksonville Beach, Atlantic Beach, Neptune Beach) and Baldwin permit separately

Florida: installations follow FS 320 and Rule 15C-1/15C-2 (DHSMV) with licensed installers and installation decals; county building permits, tie-down and wind-zone compliance apply. Coastal counties may require Wind Zone II/III homes.

BUILDING & PERMITTING OFFICE

Department: Echols County Building Inspector / Board of Commissioners

Address: 110 General Deloach Road (P.O. Box 190), Statenville, GA 31648

Phone: 229-559-5352

Permits website: <https://echolscountyga.com/departments/>

Code of ordinances: https://library.municode.com/ga/echols_county/codes/code_of_ordinances

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Echols County Health Department (South Health District)

Address: 149 Highway 94 East, Statenville, GA 31648

Phone: 229-559-5103

Website: <https://southhealthdistrict.com>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system
- Existing septic system evaluation required before relocating a mobile home onto a lot with an existing system (district form)

MANUFACTURED HOME NOTES

- Very small unincorporated county; building inspection is handled by a single county building inspector reached through the commissioners' office (main line 229-559-6538)
- Contact info is sparse online; call ahead to confirm current inspector and mobile home permit requirements

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Effingham County Building & Fire Inspection Services (Development Services)

Address: 804 S. Laurel Street, Springfield, GA 31329

Phone: 912-754-2128

Permits website: <https://www.effinghamcounty.org/226/Building-Inspections>

Code of ordinances: https://library.municode.com/ga/effingham_county/codes/code_of_ordinances

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Effingham County Health Department (Coastal Health District)

Address: 802 Hwy 119 South, Springfield, GA 31329

Phone: 912-754-6484

Environmental Health (septic/well): 912-754-6850

Website: https://coastalhealthdistrict.org/counties/effingham_county_health_depart_1/

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system
- Existing septic system inspection typically required for mobile home relocation; Level 3 soil report required for all septic permits

MANUFACTURED HOME NOTES

- Permit required to construct, move, or change occupancy of any structure, including manufactured home set-ups
- Plans can be submitted in person or electronically via buildinginspections@effinghamcounty.org
- Chapter 14 of the county code covers buildings and building regulations

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Emanuel County Building Inspection & Code Enforcement

Address: 124 N. Main Street, Swainsboro, GA 30401

Phone: 478-237-6514

Permits website: <https://www.emanuelco-ga.gov/148/Building-Inspection-Code-Enforcement>

Code of ordinances: https://library.municode.com/ga/emanuel_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Emanuel County Health Department (East Central Health District)

Address: 50 Highway 56 North, Swainsboro, GA 30401

Phone: 478-237-7501

Website: <https://ecphd.com>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system

MANUFACTURED HOME NOTES

- Permit required for manufactured home set-ups; homes built 1977 or earlier are NOT permitted, 1978 or newer allowed if structurally sound and HUD/GA DCA-approved
- County code has a dedicated Chapter 34 - Manufactured Homes
- Office hours Mon-Thu 8-5:30, Fri 8-12

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Evans County Code Enforcement / Board of Commissioners

Address: 613 W. Main Street, Claxton, GA 30417

Phone: 912-739-1141

Permits website: <https://evanscounty.org/departments/code-enforcement/>

Code of ordinances: <https://evanscounty.org/government/county-ordinances/>

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Evans County Health Department (Southeast Health District)

Address: 4 North Newton Street, Claxton, GA 30417

Phone: 855-473-4374

Environmental Health (septic/well): 912-764-0727 (district EH)

Website: <https://sehdph.org/our-counties/>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system

MANUFACTURED HOME NOTES

- Code enforcement focuses on county ordinances (solid waste, litter, animal control); building permit questions can also go through the commissioners' office at 3 Freeman Street, 912-739-1141
- County ordinances are posted on the county website rather than Municode; call to confirm current mobile home permit rules

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Flagler County Building Department (Growth Management / Central Permitting)

Address: Government Services Building, 1769 E. Moody Blvd., Building 2, Bunnell, FL 32110

Phone: 386-313-4003

Permits website: <https://www.flaglercounty.gov/Growth-Building/Building-and-Inspections>

Code of ordinances: https://library.municode.com/fl/flagler_county/codes/code_of_ordinances

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Florida Department of Health in Flagler County

Address: PO Box 847, Bunnell, FL 32110

Phone: 386-437-7350

Environmental Health (septic/well): 386-437-7358

Website: <https://flagler.floridahealth.gov>

Manufactured home requirements:

- Florida septic permits are now a state DEP program, but this county's health department Environmental Health office still takes the applications and issues the permits locally
- EH also runs the water well construction program

MANUFACTURED HOME NOTES

- First question is jurisdiction: Palm Coast, Flagler Beach, Bunnell, Beverly Beach, and Marineland all permit separately from the county
- County permits go through Central Permitting at the Bunnell government complex (Building 2, Suite 103) or the online permitting page
- Chapter 8 of the county code covers building codes

Florida: installations follow FS 320 and Rule 15C-1/15C-2 (DHSMV) with licensed installers and installation decals; county building permits, tie-down and wind-zone compliance apply. Coastal counties may require Wind Zone II/III homes.

BUILDING & PERMITTING OFFICE

Department: Gilchrist County Building Department

Address: 209 SE 1st Street, Trenton, FL 32693

Phone: 352-463-3173

Permits website: <https://gilchrist.fl.us/onlinepermitting/>

Code of ordinances: https://library.municode.com/fl/gilchrist_county/codes/code_of_ordinances

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Florida Department of Health in Gilchrist County

Address: 119 NE 1st St., Trenton, FL 32693

Phone: 352-463-3120

Website: <https://gilchrist.floridahealth.gov>

Manufactured home requirements:

- Florida septic permits are now a state DEP program, but this county's health department Environmental Health office still takes the applications and issues the permits locally

MANUFACTURED HOME NOTES

- Mobile home set-ups are permitted separately from standard building permits with their own application packet
- County has launched an online permitting portal; general permit checklist available on the county site
- Hours Mon-Thu 8-5, Fri 8-4

Florida: installations follow FS 320 and Rule 15C-1/15C-2 (DHSMV) with licensed installers and installation decals; county building permits, tie-down and wind-zone compliance apply. Coastal counties may require Wind Zone II/III homes.

BUILDING & PERMITTING OFFICE

Department: Glynn County Building Permitting and Inspections (Community Development)

Address: W. Harold Pate Building, 1725 Reynolds Street, Suite 200, Brunswick, GA 31520

Phone: 912-554-7456

Permits website: <https://www.glynncounty.org/government/departments/building-permitting-inspections>

Code of ordinances: https://library.municode.com/ga/glynn_county/codes/code_of_ordinances

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Glynn County Health Department (Coastal Health District)

Address: 2747 Fourth Street, Brunswick, GA 31520

Phone: 912-264-3961

Environmental Health (septic/well): 912-279-2940 (EH: 1725 Reynolds St, Suite 200, Brunswick)

Website: https://coastalhealthdistrict.org/counties/glynn_county_health_department_1/

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system
- Existing septic system inspection typically required for mobile home relocation; Level 3 soil report required for all septic permits

MANUFACTURED HOME NOTES

- Manufactured homes must be Wind Zone II units because Glynn is a hurricane-prone coastal county
- Installer must be licensed by both the State of Georgia and Glynn County
- Dedicated county page on manufactured/mobile home permitting; permit applications go through the county's OpenGov portal

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Grady County Building Inspection & Code Enforcement

Address: 250 N. Broad Street, Cairo, GA 39828

Phone: 229-377-8857

Permits website: <https://gradycountyga.gov/public-safety/code-enforcement/>

Code of ordinances: <https://gradycountyga.gov/wp-content/uploads/2025/04/Grady-County-GA-Code-of-Ordinances-thru-4.pdf>

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Grady County Health Department (Southwest GA Public Health District)

Address: 1030 4th Street SE, Cairo, GA 39828

Phone: 229-377-2992

Environmental Health (septic/well): 229-279-9081

Website: <https://swhealthdistrict.org/grady-county/>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system

MANUFACTURED HOME NOTES

- Office issues mobile home installation permits along with building, electrical, gas, mechanical, plumbing, and roofing permits
- Walk-in hours 8-10 AM; appointments 10 AM-5 PM (building official Brian Harrison)
- City of Cairo permits separately through its own Building Permits & Inspections office

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Hamilton County Building Department

Address: 204 NE First Street, Jasper, FL 32052

Phone: 386-792-1060

Permits website: <https://hamiltoncountyfl.com/building-department/>

Code of ordinances: https://library.municode.com/fl/hamilton_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Florida Department of Health in Hamilton County

Address: 209 SE Central Ave., Jasper, FL 32052

Phone: 386-792-1414

Website: <https://hamilton.floridahealth.gov>

Manufactured home requirements:

- Florida septic permits are now a state DEP program, but this county's health department Environmental Health office still takes the applications and issues the permits locally
- Regulates mobile home and RV parks

MANUFACTURED HOME NOTES

- Mobile Home Permit Application is a dedicated form available from the department
- Land Use department administers the comprehensive plan and land development regulations that govern where mobile homes may be placed

Florida: installations follow FS 320 and Rule 15C-1/15C-2 (DHSMV) with licensed installers and installation decals; county building permits, tie-down and wind-zone compliance apply. Coastal counties may require Wind Zone II/III homes.

BUILDING & PERMITTING OFFICE

Department: Houston County Building Inspection / Planning & Zoning

Address: 200 Carl Vinson Parkway, Warner Robins, GA 31088

Phone: 478-542-2018

Permits website: <https://www.houstoncountyga.gov/business/building-inspection.cms>

Code of ordinances: https://library.municode.com/ga/houston_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Houston County Health Department (North Central Health District)

Address: 98 Cohen Walker Drive, Warner Robins, GA 31088

Phone: 478-218-2000

Environmental Health (septic/well): 478-218-2020

Website: <https://northcentralhealthdistrict.org/houston-county-health-department/>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system

MANUFACTURED HOME NOTES

- County code Chapter 38 (Manufactured Homes and Trailers): utilities cannot be connected unless the home has a current year's permit/decal
- Planning & zoning commission must approve the site location, and all ad valorem taxes must be paid before the tax commissioner issues the permit with decal
- Cities of Warner Robins, Perry, and Centerville permit separately (Perry: 1211 Washington St., 478-988-2720)

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Irwin County Building Inspector / Zoning Department

Address: 225 E. 4th Street, Ocilla, GA 31774

Phone: 229-468-5514

Permits website: <https://irwincounty-ga.gov/business-directory/565/building-inspector/>

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Irwin County Health Department (South Health District)

Address: 407 West Fourth Street, Ocilla, GA 31774

Phone: 229-238-9540

Website: <https://southhealthdistrict.com>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system
- Existing septic system evaluation required before relocating a mobile home onto a lot with an existing system (district form)

MANUFACTURED HOME NOTES

- County directs applicants to contact the Irwin County/City of Ocilla Zoning Department and the county building inspector before starting work
- Code of ordinances is maintained by the County Clerk rather than posted on Municode; request copies through the clerk's office

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Jeff Davis County Code Enforcement / Board of Commissioners

Address: 14 Jeff Davis Street, Hazlehurst, GA 31539

Phone: 912-375-6611

Permits website: <https://jeffdaviscountyga.gov/code-enforcement>

Code of ordinances: https://library.municode.com/ga/jeff_davis_county/codes/code_of_ordinances

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Jeff Davis County Health Department (Southeast Health District)

Address: 30 East Sycamore Street, Hazlehurst, GA 31539

Phone: 855-473-4374

Environmental Health (septic/well): 912-764-0727 (district EH)

Website: <https://sehdph.org/our-counties/>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system

MANUFACTURED HOME NOTES

- City of Hazlehurst handles its own business licenses, zoning, and code enforcement (28 Latimer Street, 912-375-6682; building inspector/code officer Charles Harrell)
- County code of ordinances is on Municode; call the commissioners' office to confirm current mobile home permit steps

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Jefferson County Building Department

Address: 445 W. Palmer Mill Road, Monticello, FL 32344

Phone: 850-342-0223

Permits website: <https://jeffersoncountyfl.gov/building-construction-permits/>

Code of ordinances: https://library.municode.com/fl/jefferson_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Florida Department of Health in Jefferson County

Address: 1255 West Washington St., Monticello, FL 32344

Phone: 850-342-0170

Website: <https://jefferson.floridahealth.gov>

Manufactured home requirements:

- Septic permits for this county are issued DIRECTLY by Florida DEP - apply at OSTDS.FloridaDEP.gov (DEP: 850-245-4070); the health department helps with records and questions

MANUFACTURED HOME NOTES

- Department issues mobile home installation permits as a distinct permit type
- Paper-only process: forms picked up at the office, incomplete applications rejected, no electronic submissions accepted, and no inspections scheduled on Fridays
- Chapter 50 of the county code is the Land Development Code governing siting

Florida: installations follow FS 320 and Rule 15C-1/15C-2 (DHSMV) with licensed installers and installation decals; county building permits, tie-down and wind-zone compliance apply. Coastal counties may require Wind Zone II/III homes.

BUILDING & PERMITTING OFFICE

Department: Jenkins County Board of Commissioners / County Clerk (permits); City of Millen Building & Zoning inside city limits

Address: Jenkins County Annex, 833 E. Winthrop Ave. (P.O. Box 797), Millen, GA 30442

Phone: 478-982-2563

Permits website: <https://www.jenkinscountyga.com/jenkins-county-administration.php>

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Jenkins County Health Department (East Central Health District)

Address: 709 Virginia Avenue, Millen, GA 30442

Phone: 478-982-2811

Website: <https://ecphd.com>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system

MANUFACTURED HOME NOTES

- No standalone county building department; permits are handled through the county clerk/commissioners' office (clerk at 611 E. Winthrop Ave., 478-982-4683)
- Inside Millen city limits, building permits go through the city's Building and Zoning Department
- County code of ordinances is not posted online; request from the clerk

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Johnson County Code Enforcement Office

Address: 2484 West Elm Street, Wrightsville, GA 31096 (mail: PO Box 269, Wrightsville, GA 31096)

Phone: (478) 864-3388

Permits website: <https://www.johnsonco.org/building>

Code of ordinances: https://library.municode.com/ga/johnson_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Johnson County Health Department (South Central Health District)

Address: 82 Hilton Holton Street, Wrightsville, GA 31096

Phone: 478-864-3542

Environmental Health (septic/well): 478-275-6779 (district EH, Dublin)

Website: <https://southcentralhealth.info>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system
- Existing system evaluations available

MANUFACTURED HOME NOTES

- Building permits and code enforcement are handled by the county Code Enforcement Office in Wrightsville.
- Zoning verification and any special zoning restrictions for home placement go through the same Code Enforcement Office.

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Lafayette County Building Department

Address: 120 W. Main Street, Mayo, FL 32066

Phone: (386) 294-3611

Permits website: <https://lafayettecountyfl.org/departments-services/building-department/>

Code of ordinances: https://library.municode.com/fl/lafayette_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Florida Department of Health in Lafayette County

Address: 140 SW Virginia Circle, Mayo, FL 32066

Phone: 386-294-1321

Website: <https://lafayette.floridahealth.gov>

Manufactured home requirements:

- Florida septic permits are now a state DEP program, but this county's health department Environmental Health office still takes the applications and issues the permits locally
- Online septic record search available

MANUFACTURED HOME NOTES

- Building Official also serves as Zoning Administrator (Garret Land), so zoning and building review run through one office.
- Department publishes dedicated mobile home forms and guidelines; permits enforce the Florida Building Code and FEMA floodplain rules.
- Permit applications can be submitted and paid online through the county site.

Florida: installations follow FS 320 and Rule 15C-1/15C-2 (DHSMV) with licensed installers and installation decals; county building permits, tie-down and wind-zone compliance apply. Coastal counties may require Wind Zone II/III homes.

BUILDING & PERMITTING OFFICE

Department: Lake County Office of Building Services

Address: 315 West Main Street, Tavares, FL 32778 (mail: P.O. Box 7800, Tavares, FL 32778)

Phone: (352) 343-9653

Permits website: <https://lakecountyfl.gov/building-services>

Code of ordinances: https://library.municode.com/fl/lake_county/codes/code_of_ordinances

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Florida Department of Health in Lake County

Address: PO Box 1305, Tavares, FL 32778

Phone: 352-589-6424

Environmental Health (septic/well): 352-253-6130 (EH: 320 West Main St., Tavares, FL 32778)

Website: <https://lake.floridahealth.gov>

Manufactured home requirements:

- Florida septic permits are now a state DEP program, but this county's health department Environmental Health office still takes the applications and issues the permits locally
- County posts its own new-OSTDS-permit requirements document

MANUFACTURED HOME NOTES

- Mobile home permit package requires impact fee receipt or deferral letter, a driveway permit if on a county-maintained road, and septic permit/health department approval where applicable.
- Placement in a rental park requires written park permission before the permit is released.
- Owner must provide legal sewage, water, and electric service and meet the county's mobile home construction and placement standards.

Florida: installations follow FS 320 and Rule 15C-1/15C-2 (DHSMV) with licensed installers and installation decals; county building permits, tie-down and wind-zone compliance apply. Coastal counties may require Wind Zone II/III homes.

BUILDING & PERMITTING OFFICE

Department: Lanier County Code Enforcement (permits issued at the Tax Assessor's Office)

Address: 56 W Main Street, Suite 2, Lakeland, GA 31635

Phone: (229) 482-2090

Permits website: <http://laniercountybec.com/wp/code-enforcement/>

Code of ordinances: https://library.municode.com/ga/lanier_county/codes/code_of_ordinances

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Lanier County Health Department (South Health District)

Address: 114 South Oak Street, Lakeland, GA 31635

Phone: 229-482-3294

Website: <https://southhealthdistrict.com>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system
- Existing septic system evaluation required before relocating a mobile home onto a lot with an existing system (district form)

MANUFACTURED HOME NOTES

- All construction permits are obtained at the Tax Assessor's Office at 56 W Main Street, Suite 2.
- County code includes provisions for mobile home decals and for the location/relocation of mobile homes.
- Property inside Lakeland city limits falls under the city's separate Land Development Code.

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Laurens County Building Inspection / Code Enforcement Department

Address: 515 Southern Pines Road, Dublin, GA 31021

Phone: (478) 272-4755

Permits website: <https://www.laurensco.ga.org/282/Building-Permits>

Code of ordinances: https://library.municode.com/ga/laurens_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Laurens County Health Department (South Central Health District)

Address: 654 County Farm Road, Dublin, GA 31021

Phone: 478-272-2051

Environmental Health (septic/well): 478-275-6779 (Environmental Health)

Website: <https://southcentralhealth.info>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system
- Existing system evaluations available

MANUFACTURED HOME NOTES

- All manufactured homes must receive an electrical inspection from the Building Inspection Department; the manufactured home permit fee includes this inspection.
- Moving a mobile home also requires a moving permit from the Laurens County Tax Assessors Office, (478) 272-6443.

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Lee County Building Inspection Department

Address: T. Page Tharp Governmental Building, 102 Starksville Avenue North, Leesburg, GA 31763

Phone: (229) 759-6000

Permits website: <https://www.leecountyga.gov/departments/building-inspection>

Code of ordinances: https://library.municode.com/ga/lee_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Lee County Health Department (Southwest GA Public Health District)

Address: 112 Parks Street, Leesburg, GA 31763

Phone: 229-759-3014

Environmental Health (septic/well): 229-759-3016 (EH: 103 Main Street East, Leesburg)

Website: <https://swhealthdistrict.org/lee-county/>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system

MANUFACTURED HOME NOTES

- County has a dedicated Manufactured Home ordinance administered by Planning & Zoning (same building); variances and placement questions go through that department.
- Building Inspection covers construction in both unincorporated and incorporated areas of the county.

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Leon County Building Plans Review and Inspection Division (Dept. of Development Support and Environmental Management)

Address: 435 North Macomb Street, 2nd Floor, Tallahassee, FL 32301

Phone: (850) 606-1300

Permits website: <https://cms.leoncountyfl.gov/Government/Departments/Development-Support-Environmental-Management/Building-Plans-Review-and-Inspection>

Code of ordinances: https://library.municode.com/fl/leon_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Florida Department of Health in Leon County

Address: Tallahassee, FL 32301

Phone: 850-404-6300

Environmental Health (septic/well): 850-895-8360 (EH: 435 North Macomb St., Tallahassee)

Website: <https://leon.floridahealth.gov>

Manufactured home requirements:

- Septic permits for this county are issued DIRECTLY by Florida DEP - apply at OSTDS.FloridaDEP.gov (DEP: 850-245-4070); the health department helps with records and questions

MANUFACTURED HOME NOTES

- All residential permit applications, fees, and inspections are administered at the 435 N. Macomb Street office.
- Leon County and the City of Tallahassee share a joint online permitting hub (tlcpermits.org) for applications and inspection scheduling.

Florida: installations follow FS 320 and Rule 15C-1/15C-2 (DHSMV) with licensed installers and installation decals; county building permits, tie-down and wind-zone compliance apply. Coastal counties may require Wind Zone II/III homes.

BUILDING & PERMITTING OFFICE

Department: Levy County Building Department (Development Department)

Address: 622 East Hathaway Avenue, Bronson, FL 32621

Phone: (352) 486-5198

Permits website: <https://www.levycounty.org/161/Building-Permit>

Code of ordinances: https://library.municode.com/fl/levy_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Florida Department of Health in Levy County

Address: 66 West Main Street, Bronson, FL 32621

Phone: 352-486-5300

Environmental Health (septic/well): 352-486-5301 (EHPermitsLevy@FLHealth.gov)

Website: <https://levy.floridahealth.gov>

Manufactured home requirements:

- Florida septic permits are now a state DEP program, but this county's health department Environmental Health office still takes the applications and issues the permits locally

MANUFACTURED HOME NOTES

- Department issues manufactured home permits for mobile home installation.
- Building permit applications are reviewed twice per day, at 9:00 a.m. and 3:30 p.m.
- Parcels inside the Town of Bronson need the town's Zoning Compliance Verification before applying for the county building permit.

Florida: installations follow FS 320 and Rule 15C-1/15C-2 (DHSMV) with licensed installers and installation decals; county building permits, tie-down and wind-zone compliance apply. Coastal counties may require Wind Zone II/III homes.

BUILDING & PERMITTING OFFICE

Department: Liberty County Building and Licensing Department

Address: 100 Main Street, Suite 7410, Hinesville, GA 31313

Phone: (912) 876-8454

Permits website: <https://www.libertycountyga.gov/211/Building-Licensing>

Code of ordinances: https://library.municode.com/ga/liberty_county/_codes/code_of_ordinances

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Liberty County Health Department (Coastal Health District)

Address: 507 E. Oglethorpe Highway, Hinesville, GA 31313

Phone: 912-876-2173

Environmental Health (septic/well): 912-368-5520

Website: https://coastalhealthdistrict.org/counties/liberty_county/

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system
- Existing septic system inspection typically required for mobile home relocation; Level 3 soil report required for all septic permits

MANUFACTURED HOME NOTES

- A mobile home location permit is required BEFORE placing the home; placing first draws a double fee (\$512).
- Zoning approval must first be obtained from the Liberty Consolidated Planning Commission; septic tank and well permits (even with an existing septic) go through Environmental Health, (912) 368-5520.
- County code Chapter 24 covers mobile home parks, recreational vehicle parks, and mobile/relocated homes.

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Long County Code Enforcement

Address: 468 South McDonald Street, Ludowici, GA 31316

Phone: (912) 545-3683

Permits website: <https://www.longcountyga.gov/code-enforcement>

Code of ordinances: https://library.municode.com/ga/long_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Long County Health Department (Coastal Health District)

Address: 584 N. Macon Street, Ludowici, GA 31316

Phone: 912-545-2107

Website: https://coastalhealthdistrict.org/counties/long_county_health_department_1/

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system
- Existing septic system inspection typically required for mobile home relocation; Level 3 soil report required for all septic permits

MANUFACTURED HOME NOTES

- Building permits are purchased through the Code Enforcement office at the courthouse; the code enforcement officer performs building inspections.
- Zoning rules (including where manufactured homes may go) are in Chapter 126 of the county's Land Development Code (Subpart B of the county code).

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Valdosta-Lowndes County Inspections Department (joint city-county permit office)

Address: 327 N. Ashley Street, Valdosta, GA 31601

Phone: (229) 671-3240

Permits website: <https://www.lowndescounty.com/498/Building-Permits-and-Inspections>

Code of ordinances: <https://www.lowndescounty.com/132/County-Ordinances>

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Lowndes County Health Department (South Health District)

Address: 206 South Patterson Street, Valdosta, GA 31601

Phone: 229-333-5257

Website: <https://southhealthdistrict.com/county-health-departments/lowndes-county-health-department/>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system
- Existing septic system evaluation required before relocating a mobile home onto a lot with an existing system (district form)

MANUFACTURED HOME NOTES

- Manufactured home placement requires building, electrical, and mechanical permits plus a purchase agreement/title/bill of sale with serial number and a current-year tax receipt (or shipping invoice if new).
- One joint Inspections Department serves unincorporated Lowndes County and the cities of Valdosta, Lake Park, Dasher, and Hahira; permits can be purchased online.
- Land use/zoning is governed by the Lowndes County Unified Land Development Code (ULDC): [lowndescounty.com/157/Unified-Land-Development-Code](https://www.lowndescounty.com/157/Unified-Land-Development-Code)

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Code of ordinances: https://library.municode.com/fl/madison_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Florida Department of Health in Madison County

Address: 218 SW Third Ave., Madison, FL 32340

Phone: 850-973-5000

Website: <https://madison.floridahealth.gov>

Manufactured home requirements:

- Florida septic permits are now a state DEP program, but this county's health department Environmental Health office still takes the applications and issues the permits locally

MANUFACTURED HOME NOTES

- Office reviews applications for mobile home permits along with building and driveway permits.
- Permit applications can be submitted online through the county's Cloudpermit portal.

Florida: installations follow FS 320 and Rule 15C-1/15C-2 (DHSMV) with licensed installers and installation decals; county building permits, tie-down and wind-zone compliance apply. Coastal counties may require Wind Zone II/III homes.

BUILDING & PERMITTING OFFICE

Department: Marion County Building Safety Division (Development Services)

Address: 2710 E. Silver Springs Blvd., Ocala, FL 34470

Phone: (352) 438-2400

Permits website: <https://www.marionfl.org/agencies-departments/departments-facilities-offices/building-safety>

Code of ordinances: https://library.municode.com/fl/marion_county/codes/code_of_ordinances

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Florida Department of Health in Marion County

Address: 1801 SE 32nd Ave., Ocala, FL 34471

Phone: 352-629-0137

Website: <https://marion.floridahealth.gov>

Manufactured home requirements:

- Septic permits for this county are issued DIRECTLY by Florida DEP - apply at OSTDS.FloridaDEP.gov (DEP: 850-245-4070); the health department helps with records and questions (DEP-direct since July 1, 2025)

MANUFACTURED HOME NOTES

- Mobile home set-ups are permitted separately from standard residential permits; applications go through the county's Civic Access online portal.
- Division covers unincorporated Marion County only; property inside Ocala city limits uses the City of Ocala building department.
- Zoning/placement rules are in the separate Marion County Land Development Code on Municode.

Florida: installations follow FS 320 and Rule 15C-1/15C-2 (DHSMV) with licensed installers and installation decals; county building permits, tie-down and wind-zone compliance apply. Coastal counties may require Wind Zone II/III homes.

Phone: 912-832-5473

Website: https://coastalhealthdistrict.org/counties/mcintosh_county_health_departm_1/

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system
- Existing septic system inspection typically required for mobile home relocation; Level 3 soil report required for all septic permits

MANUFACTURED HOME NOTES

- Office publishes a downloadable Mobile Home Permit application and handles building permits, zoning, and code enforcement in one office.
- County also posts its Zoning Ordinance and Flood Prevention Ordinance on the Codes & Ordinances page of the county site.

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Mitchell County Building & Zoning Department

Address: 18 North Court Street, Camilla, GA 31730 (mail: P.O. Box 302, Camilla, GA 31730)

Phone: (229) 336-2060

Permits website: <https://www.mitchellcountyga.net/building-zoning/>

Code of ordinances: https://library.municode.com/ga/mitchell_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Mitchell County Health Department (Southwest GA Public Health District)

Address: 88 West Oakland Avenue, Camilla, GA 31730

Phone: 229-355-3081

Website: <https://swhealthdistrict.org/mitchell-county/>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system

MANUFACTURED HOME NOTES

- Department issues manufactured home location permits in addition to building permits and business licenses.
- Same office handles code enforcement, zoning enforcement, rezoning, and subdivision regulation; county zoning is Appendix A of the code.
- Property inside Camilla city limits falls under City of Camilla Code Enforcement, (229) 330-2316.

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Montgomery County Code Enforcement (Board of Commissioners)

Address: 310 West Broad Street (P.O. Box 295), Mount Vernon, GA 30445

Phone: 912-583-2363

Permits website: <https://www.montcoga.gov/code-enforcement>

Code of ordinances: https://library.municode.com/ga/montgomery_county/codes/code_of_ordinances

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Montgomery County Health Department (South Central Health District)

Address: 218 West Broad Street, Mt. Vernon, GA 30445

Phone: 912-583-4602

Environmental Health (septic/well): 478-275-6779 (district EH, Dublin)

Website: <https://southcentralhealth.info>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system
- Existing system evaluations available

MANUFACTURED HOME NOTES

- County Code of Ordinances Chapter 6 covers building permits; code enforcement handles zoning, safety, and building regulations not covered by state law.
- Under Georgia law, owners locating a mobile home must apply to the county tax commissioner for a location permit within 30 days of placement and display an annual decal (renewed Jan 1 - Apr 1).

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Nassau County Building Department

Address: 96161 Nassau Place, Yulee, FL 32097

Phone: 904-530-6250

Permits website: <https://www.nassaucountyfl.com/136/Building-Department>

Code of ordinances: https://library.municode.com/fl/nassau_county/codes/code_of_ordinances

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Florida Department of Health in Nassau County

Address: 86014 Pages Dairy Rd., Yulee, FL 32097

Phone: 904-875-6100

Environmental Health (septic/well): 904-557-9150 (EH: 86014 Pages Dairy Rd., Yulee, FL 32097)

Website: <https://nassau.floridahealth.gov>

Manufactured home requirements:

- Florida septic permits are now a state DEP program, but this county's health department Environmental Health office still takes the applications and issues the permits locally

MANUFACTURED HOME NOTES

- Department issues permits and performs plan review/inspections for unincorporated Nassau County only; permit questions line is 1-800-262-5131 ext. 3301.
- County construction forms include dedicated manufactured/mobile home permit applications (e.g., separate electrical permit form for manufactured homes).
- Code of Ordinances Chapter 7 (Buildings and Building Regulations) contains the county building code provisions.

Florida: installations follow FS 320 and Rule 15C-1/15C-2 (DHSMV) with licensed installers and installation decals; county building permits, tie-down and wind-zone compliance apply. Coastal counties may require Wind Zone II/III homes.

BUILDING & PERMITTING OFFICE

Department: Pierce County Planning & Codes (Code Enforcement)

Address: 312 Nichols Street, Blackshear, GA 31516

Phone: 912-449-2022 (building permits: 912-449-2037)

Permits website: <https://piercecountyga.gov/building-permits/>

Code of ordinances: <https://piercecountyga.gov/ZONING-GLAND-USE-ORDINANCE.pdf>

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Pierce County Health Department (Southeast Health District)

Address: 715 Ware Street, Blackshear, GA 31516

Phone: 855-473-4374

Environmental Health (septic/well): 912-764-0727 (district EH)

Website: <https://sehdph.org/our-counties/>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system

MANUFACTURED HOME NOTES

- County posts its Building Permit Application and the joint Zoning/Land Use Ordinance (county plus cities) as PDFs on piercecountyga.gov rather than Municode.
- The City of Blackshear was set to take over building permitting and inspections inside its city limits effective July 2026, so in-city placements may go through the city instead of the county.

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Building Inspections & Code Enforcement (joint City of Hawkinsville / Pulaski County office)

Address: 56 Broad Street (P.O. Box 120), Hawkinsville, GA 31036

Phone: 478-892-3240

Permits website: <https://hawkinsville-pulaski.org/departments/bldg-inspections-county-code-enforcement/>

Code of ordinances: https://library.municode.com/ga/pulaski_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Pulaski County Health Department (South Central Health District)

Address: 81 North Lumpkin Street, Hawkinsville, GA 31036

Phone: 478-783-1361

Environmental Health (septic/well): 478-275-6779 (district EH, Dublin)

Website: <https://southcentralhealth.info>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system
- Existing system evaluations available

MANUFACTURED HOME NOTES

- A single consolidated city-county office handles building inspections and code enforcement for both Hawkinsville and Pulaski County.
- The county's Land Development Regulations are Appendix B of the Code of Pulaski County on Municode; building provisions are in Appendix B Chapter 5.

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Putnam County Development Services (Building & Zoning)

Address: 2509 Crill Avenue, Suite 300, Palatka, FL 32177

Phone: 386-329-0205

Permits website: <https://www.putnam-fl.gov/departments/development-services/>

Code of ordinances: https://library.municode.com/fl/putnam_county/codes/code_of_ordinances

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Florida Department of Health in Putnam County

Address: 2801 Kennedy Street, Palatka, FL 32177

Phone: 386-326-3200

Environmental Health (septic/well): 386-326-7189 (EH: 2509 Crill Ave., Suite 300, Palatka, FL 32177)

Website: <https://putnam.floridahealth.gov>

Manufactured home requirements:

- Florida septic permits are now a state DEP program, but this county's health department Environmental Health office still takes the applications and issues the permits locally
- Publishes a Homebuyer's Guide to Septic Systems

MANUFACTURED HOME NOTES

- Development Services handles building permits, inspections, and code compliance countywide (unincorporated areas).
- Chapter 8 (Buildings and Building Regulations) and Chapter 45 (Land Development Code, including permitted uses by zoning district) of the county code govern mobile home placement.

Florida: installations follow FS 320 and Rule 15C-1/15C-2 (DHSMV) with licensed installers and installation decals; county building permits, tie-down and wind-zone compliance apply. Coastal counties may require Wind Zone II/III homes.

BUILDING & PERMITTING OFFICE

Department: Screven County Code Enforcement (Board of Commissioners)

Address: 216 Mims Road (P.O. Box 158), Sylvania, GA 30467

Phone: 912-564-7535

Permits website: <https://www.screvencountyboc.com/code-enforcement>

Code of ordinances: https://library.municode.com/ga/screven_county/codes/code_of_ordinances

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Screven County Health Department (East Central Health District)

Address: 416 Pine Street, Sylvania, GA 30467

Phone: 912-564-2182

Website: <https://ecphd.com>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system

MANUFACTURED HOME NOTES

- Code enforcement operates out of the Board of Commissioners office; building without a permit is one of the violations it enforces, with voluntary compliance sought first.
- Inside Sylvania city limits, permits are handled by the City of Sylvania (912-564-7411; permits page at cityofsylvaniaga.com).

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: St. Johns County Building Services (Building Department)

Address: 4040 Lewis Speedway, St. Augustine, FL 32084

Phone: 904-827-6800

Permits website: <https://www.sjcfl.us/departments/building-department/>

Code of ordinances: https://library.municode.com/fl/st._johns_county/

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Florida Department of Health in St. Johns County

Address: 200 San Sebastian View, St. Augustine, FL 32084

Phone: 904-506-6081

Website: <https://stjohns.floridahealth.gov>

Manufactured home requirements:

- Florida septic permits are now a state DEP program, but this county's health department Environmental Health office still takes the applications and issues the permits locally

MANUFACTURED HOME NOTES

- Permits are required before most work begins; the county runs online permit application and search through its WATS web portal.
- Mobile/manufactured home zoning and placement in the unincorporated county are governed by the St. Johns County Land Development Code (posted at [sjcfl.us/land-development-code/](https://www.sjcfl.us/land-development-code/)).

Florida: installations follow FS 320 and Rule 15C-1/15C-2 (DHSMV) with licensed installers and installation decals; county building permits, tie-down and wind-zone compliance apply. Coastal counties may require Wind Zone II/III homes.

BUILDING & PERMITTING OFFICE

Department: Sumter County Building Services Division (Development Services Department)

Address: 7375 Powell Road, Suite 115, Wildwood, FL 34785

Phone: 352-689-4400

Permits website: <https://www.sumtercountyfl.gov/77/Building-Services>

Code of ordinances: https://library.municode.com/fl/sumter_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Florida Department of Health in Sumter County

Address: 415 E Noble Avenue, Bushnell, FL 33513

Phone: 352-569-3102

Environmental Health (septic/well): 352-569-3131 (DLCHD60SumterEH@FLHealth.gov)

Website: <https://sumter.floridahealth.gov>

Manufactured home requirements:

- Florida septic permits are now a state DEP program, but this county's health department Environmental Health office still takes the applications and issues the permits locally

MANUFACTURED HOME NOTES

- Mobile homes must be model year 1981 or later (pre-1981 allowed only if already titled/assessed as real property in Sumter County), and homes older than 15 years at permitting require a pre-permit inspection.
- A permanent perimeter underfloor enclosure (masonry, wood, vinyl, or similar, at least 50% opacity) is required per the Florida Building Code.
- Since April 1, 2025 the county is also the building permit/inspection point of contact inside the City of Bushnell; online permitting runs through Citizenserve.

Florida: installations follow FS 320 and Rule 15C-1/15C-2 (DHSMV) with licensed installers and installation decals; county building permits, tie-down and wind-zone compliance apply. Coastal counties may require Wind Zone II/III homes.

BUILDING & PERMITTING OFFICE

Department: Suwannee County Building Department

Address: 224 Pine Avenue SW, Live Oak, FL 32064

Phone: 386-364-3407

Permits website: <https://suwanneecountyfl.gov/building-department/>

Code of ordinances: https://library.municode.com/fl/suwannee_county/codes/code_of_ordinances

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Florida Department of Health in Suwannee County

Address: 915 Nobles Ferry Rd., Live Oak, FL 32064

Phone: 386-362-2708

Website: <https://suwannee.floridahealth.gov>

Manufactured home requirements:

- Florida septic permits are now a state DEP program, but this county's health department Environmental Health office still takes the applications and issues the permits locally
- Online septic record search

MANUFACTURED HOME NOTES

- The Building Department issues manufactured/mobile home permits, including set-up and tie-down permits, and has moved permitting online via CloudPermit.
- County Code Chapter 50 (Manufactured Homes and Trailers) contains the county-specific mobile home regulations; Chapter 18 covers buildings and building regulations.

Florida: installations follow FS 320 and Rule 15C-1/15C-2 (DHSMV) with licensed installers and installation decals; county building permits, tie-down and wind-zone compliance apply. Coastal counties may require Wind Zone II/III homes.

BUILDING & PERMITTING OFFICE

Department: Tattnall County Planning and Zoning Department

Address: 111 North Main Street, Reidsville, GA 30453

Phone: 912-557-4335

Permits website: <https://www.tattnallcountyga.com/planning-and-zoning.cfm>

Code of ordinances: https://library.municode.com/ga/tattnall_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Tattnall County Health Department (Southeast Health District)

Address: 1000 North Veterans Blvd, Glennville, GA 30427

Phone: 855-473-4374

Environmental Health (septic/well): 912-764-0727 (district EH)

Website: <https://sehdph.org/our-counties/>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system

MANUFACTURED HOME NOTES

- County Code Chapter 42 is specifically titled Mobile Homes and Manufactured Homes.
- Planning and Zoning administers the county zoning ordinance and reviews applications/site plans for ordinance compliance; inside Reidsville, the city handles its own building permits and inspections (912-557-4786).

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Taylor County Building & Planning Department

Address: 201 East Green Street, Perry, FL 32347

Phone: 850-838-3500

Permits website: https://www.taylorcountygov.com/departments/building_planning/index.php

Code of ordinances: https://library.municode.com/fl/taylor_county/codes/code_of_ordinances

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Florida Department of Health in Taylor County

Address: 1215 North Peacock Ave., Perry, FL 32347

Phone: 850-584-5087

Website: <https://taylor.floridahealth.gov>

Manufactured home requirements:

- Florida septic permits are now a state DEP program, but this county's health department Environmental Health office still takes the applications and issues the permits locally

MANUFACTURED HOME NOTES

- The Building Inspections Division enforces the Florida Building Code, conducts construction inspections, and issues both zoning and building permits.
- County Code Chapter 18 covers buildings and contractor compliance; Chapter 42 is the county Land Development Code.

Florida: installations follow FS 320 and Rule 15C-1/15C-2 (DHSMV) with licensed installers and installation decals; county building permits, tie-down and wind-zone compliance apply. Coastal counties may require Wind Zone II/III homes.

BUILDING & PERMITTING OFFICE

Department: Telfair County Board of Commissioners

Address: 91 Telfair Avenue, Suite A, McRae-Helena, GA 31055

Phone: 229-868-5688

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Telfair County Health Department (South Central Health District)

Address: 89 Telfair Avenue, McRae-Helena, GA 31055

Phone: 229-868-7404

Environmental Health (septic/well): 478-275-6779 (district EH, Dublin)

Website: <https://southcentralhealth.info>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system
- Existing system evaluations available

MANUFACTURED HOME NOTES

- No dedicated county building/permitting department or online code library was found; permitting questions go through the Board of Commissioners office, and zoning inside a city goes through that city.
- Mobile home location permits and annual decals are handled by the Telfair County Tax Commissioner, 91 Telfair Avenue, McRae-Helena (229-868-6545).

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Thomas County Inspections, Planning, Zoning, and Code Enforcement

Address: 227 West Jefferson Street (P.O. Box 1173), Thomasville, GA 31799

Phone: 229-225-4120

Permits website: <https://thomascountyboc.org/inspections-and-planning>

Code of ordinances: https://library.municode.com/ga/thomas_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Thomas County Health Department (Southwest GA Public Health District)

Address: 484 Smith Avenue, Thomasville, GA 31792

Phone: 229-226-4241

Website: <https://swhealthdistrict.org/thomas-county/>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system

MANUFACTURED HOME NOTES

- County website has a dedicated 'Placing a Manufactured Home' guide page plus building permit requirement pages.
- County ordinances address manufactured home placement/replacement in manufactured home parks on prepared pads; Chapter 18 of the code covers buildings and building regulations.

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Tift County Building and Permits Department (Community Development Services / Code Enforcement)

Address: 225 Tift Avenue, Building D, Tifton, GA 31794 (P.O. Box 87, Tifton, GA 31793)

Phone: 229-386-7961 (zoning: 229-386-7965)

Permits website: https://www.tiftcounty.org/departments/code_enforcement/index.php

Code of ordinances: https://library.municode.com/ga/tift_county/codes/code_of_ordinances

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Tift County Health Department (South Health District)

Address: 305 East 12th Street, Tifton, GA 31794

Phone: 229-386-8373

Website: <https://southhealthdistrict.com>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system
- Existing septic system evaluation required before relocating a mobile home onto a lot with an existing system (district form)

MANUFACTURED HOME NOTES

- County publishes a 'Checklist for Mobile Home Permit' PDF through its Code Enforcement document center, confirming a dedicated mobile home permit process.
- County Code Chapter 74 is Manufactured Homes and Trailers; Chapter 26 covers buildings.

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Toombs County Commission (building permits / code enforcement)

Address: 100 Courthouse Square, Lyons, GA 30436

Phone: 912-526-3311

Permits website: <https://toombscountyga.gov/ordinances/building-permit-ordinance/>

Code of ordinances: <https://toombscountyga.gov/ordinances/>

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Toombs County Health Department (Southeast Health District)

Address: 714 Northwest Broad Street, Lyons, GA 30436

Phone: 855-473-4374

Environmental Health (septic/well): 912-764-0727 (district EH)

Website: <https://sehdph.org/our-counties/>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system

MANUFACTURED HOME NOTES

- County posts its ordinances (including a Building Permit Ordinance and a separate Manufactured Home Ordinance) as PDFs on toombscountyga.gov rather than Municode.
- A manufactured home may not be placed on the lot until the manufactured home permit is approved.

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Treutlen County Board of Commissioners (permits handled through this office)

Address: 1830 Martin Luther King Jr Dr, Soperton, GA 30457

Permits website: <https://treutlencountygov.com/>

Code of ordinances: https://treutlencountygov.com/government/county_clerk/ordinances.php

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Treutlen County Health Department (South Central Health District)

Address: 5614 N. Third Street, Soperton, GA 30457

Phone: 912-529-4217

Environmental Health (septic/well): 478-275-6779 (district EH, Dublin)

Website: <https://southcentralhealth.info>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system
- Existing system evaluations available

MANUFACTURED HOME NOTES

- No dedicated building/permitting department was found; ordinances page on the county site is listed as 'coming soon' and the county is not on Municode
- Statewide GA rules apply: installers must buy a \$60 installation permit from the GA Insurance & Safety Fire Commissioner for each new or pre-owned manufactured home, and owners must get an annual mobile home location permit/decal from the county tax commissioner

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Turner County Building & Zoning Office

Phone: (229) 567-3563

Permits website: <http://turnercountygeorgia.com/departments/zoning.html>

Code of ordinances: https://library.municode.com/ga/turner_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Turner County Health Department (South Health District)

Address: 745 Hudson Avenue, Ashburn, GA 31714

Phone: 229-238-9595

Website: <https://southhealthdistrict.com>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system
- Existing septic system evaluation required before relocating a mobile home onto a lot with an existing system (district form)

MANUFACTURED HOME NOTES

- Building Inspector & Zoning Administrator Regina Singletary (turnerzoning@windstream.net) issues building permits and administers the zoning ordinance
- County zoning ordinance (with zoning districts and schedule of permitted uses) is on Municode as Appendix A; a PDF copy is also posted at turnercountygeorgia.com/fyi/ordinances/

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Union County Building Department

Address: 15 NE 1st Street, Lake Butler, FL 32054

Phone: (386) 496-2676

Permits website: <https://unioncounty-fl.gov/building-department/>

Code of ordinances: https://unioncounty-fl.gov/wp-content/uploads/LDR_Union_20_Canary.pdf

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Florida Department of Health in Union County

Address: 495 E Main Street, Lake Butler, FL 32054

Phone: 386-496-3211

Website: <https://union.floridahealth.gov>

Manufactured home requirements:

- Florida septic permits are now a state DEP program, but this county's health department Environmental Health office still takes the applications and issues the permits locally

MANUFACTURED HOME NOTES

- Building Inspector is Wilson Whidden; permits issued in about 2 business days if no plan review is needed, 7-10 business days when the Building Official must review plans
- County is not on Municode; land use rules are in the Union County Land Development Regulations posted on the county site (City of Lake Butler has its own separate code on Municode)

Florida: installations follow FS 320 and Rule 15C-1/15C-2 (DHSMV) with licensed installers and installation decals; county building permits, tie-down and wind-zone compliance apply. Coastal counties may require Wind Zone II/III homes.

BUILDING & PERMITTING OFFICE

Department: Volusia County Building and Code Administration - Permit and Zoning Center

Address: 123 W. Indiana Ave., DeLand, FL 32720

Phone: (386) 736-5929

Permits website: <https://www.volusia.org/services/growth-and-resource-management/building-and-zoning/permit-and-zoning-center/mobile-home-permits/>

Code of ordinances: https://library.municode.com/fl/volusia_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Florida Department of Health in Volusia County

Address: 1845 Holsonback Drive, Daytona Beach, FL 32117

Phone: 386-274-0500

Environmental Health (septic/well): 386-274-0694 (septic/OSTDS)

Website: <https://volusia.floridahealth.gov>

Manufactured home requirements:

- Florida septic permits are now a state DEP program, but this county's health department Environmental Health office still takes the applications and issues the permits locally
- Has its own repair permit application

MANUFACTURED HOME NOTES

- County maintains a dedicated mobile home permits page; applications are submitted online through the Volusia County Connect Live permitting portal
- All mobile home setups must be performed by an installer licensed per Rule 15C-2.0073(1), Florida Administrative Code
- Permit Center email PermitCtr@volusia.gov; main Growth and Resource Management line (386) 736-2700; county permits cover unincorporated areas only (cities have their own building departments)

Florida: installations follow FS 320 and Rule 15C-1/15C-2 (DHSMV) with licensed installers and installation decals; county building permits, tie-down and wind-zone compliance apply. Coastal counties may require Wind Zone II/III homes.

BUILDING & PERMITTING OFFICE

Department: Wakulla County Building Department

Address: 3095 Crawfordville Highway, Crawfordville, FL 32327

Phone: (850) 926-7636

Permits website: https://www.mywakulla.com/departments/building_department1/index.php

Code of ordinances: https://library.municode.com/fl/wakulla_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Florida Department of Health in Wakulla County

Address: 48 Oak Street, Crawfordville, FL 32327

Phone: 850-926-0400

Website: <https://wakulla.floridahealth.gov>

Manufactured home requirements:

- Septic permits for this county are issued DIRECTLY by Florida DEP - apply at OSTDS.FloridaDEP.gov (DEP: 850-245-4070); the health department helps with records and questions

MANUFACTURED HOME NOTES

- County Land Development Code Ch. 8 contains a Mobile Home Code (secs. 8-110 to 8-114) requiring inspection by the building official and setting permitting procedures for both new AND used units, plus electrical connection rules
- Permits are processed through the county's Citizenserve online portal

Florida: installations follow FS 320 and Rule 15C-1/15C-2 (DHSMV) with licensed installers and installation decals; county building permits, tie-down and wind-zone compliance apply. Coastal counties may require Wind Zone II/III homes.

BUILDING & PERMITTING OFFICE

Department: Ware County Planning & Codes Department

Address: 305 Oak Street, Suite 157, Waycross, GA 31501

Phone: (912) 490-4379

Permits website: <https://www.warecountyga.gov/departments/nodes/planning-codes>

Code of ordinances: https://library.municode.com/ga/ware_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Ware County Health Department (Southeast Health District)

Address: 604 Riverside Avenue, Waycross, GA 31501

Phone: 855-473-4374

Environmental Health (septic/well): 912-764-0727 (district EH)

Website: <https://sehdph.org/our-counties/>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system

MANUFACTURED HOME NOTES

- Department issues manufactured home permits and publishes a mobile home permit/inspection checklist; a pre-inspection form is required for units more than 2 years old
- Inside Waycross city limits, permits go through the City of Waycross Building Department, 417 Pendleton St, (912) 287-2944

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.

BUILDING & PERMITTING OFFICE

Department: Wayne County Building Inspections

Address: 341 E Walnut St, Jesup, GA 31546

Phone: (912) 427-5920

Permits website: <https://www.waynecountyga.us/departments/division.php?structureid=42>

Code of ordinances: https://library.municode.com/ga/wayne_county

HEALTH DEPARTMENT (SEPTIC & WELL PERMITS)

Department: Wayne County Health Department (Southeast Health District)

Address: 240 Peachtree Street, Jesup, GA 31545

Phone: 855-473-4374

Environmental Health (septic/well): 912-764-0727 (district EH)

Website: <https://sehdph.org/our-counties/>

Manufactured home requirements:

- Georgia rule: septic approval from county Environmental Health comes BEFORE the mobile home move-in permit (GA DPH rule 511-3-1) - call Environmental Health first, especially for a lot with an existing septic system

MANUFACTURED HOME NOTES

- County Code Ch. 22 covers Mobile Homes, Manufactured Homes and Trailers; anyone intending to move a manufactured home must first apply to the building official and obtain a permit
- County handles unincorporated areas; projects inside the City of Jesup go through Jesup's own Building Inspections & Zoning Department

Georgia: installation must follow the state Rules for Manufactured Homes (O.C.G.A. Title 8-2, Art. 2) using state-licensed installers; an installation permit and insignia are required, and local permits/inspections apply.
